SUMMIT

JUNIOR-SENIOR'S WIN POWDERPUFF AGAIN

The Powder Puff football game was held in September. The superior Junior-Senior team played a quick-paced, more experienced type of football, thus destroying the young Sophie-Freshie team by a score of 6-0. The victorious Junior-Senior team was inspired by Coaches Mike Wigglesworth and Randy Blue. Milton Matthews coached the Sophie-Freshie team and was aided by Danny Brown and Paul Howe.

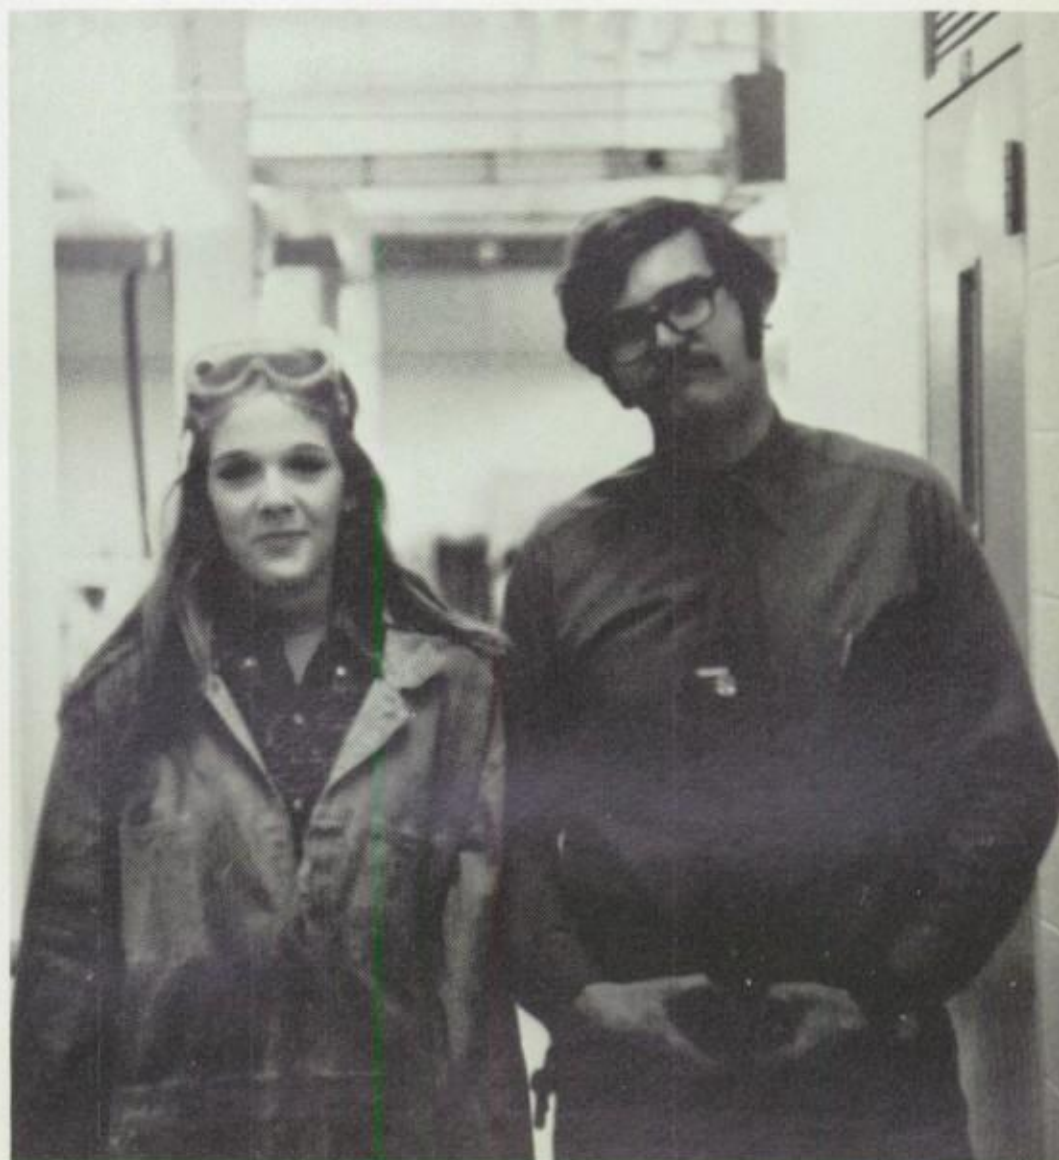

The Half-time ceremony provided romance and intrigue when Claudia Burris was crowned King and Kissed by Queen Bob Lee. Attendants were: Ann Myers, Darci Michaelis, Mike Bowles, and Dan Dunlap. A dance followed the game.

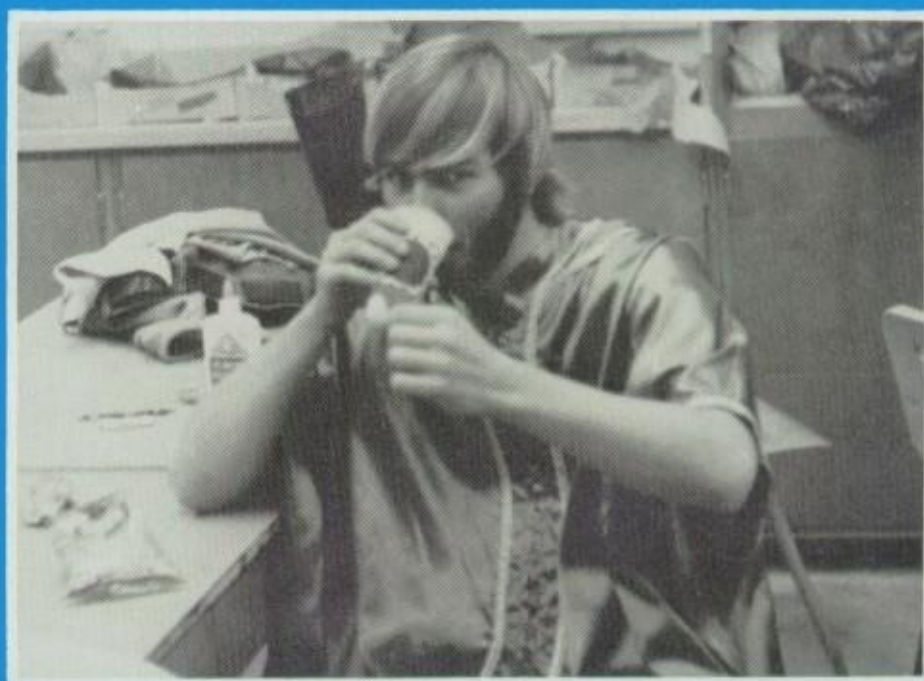

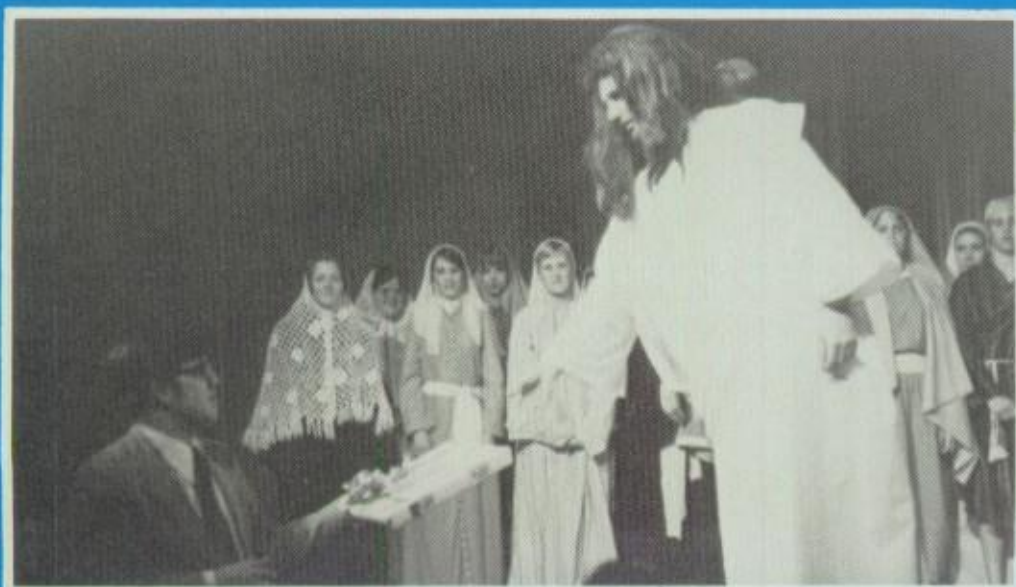

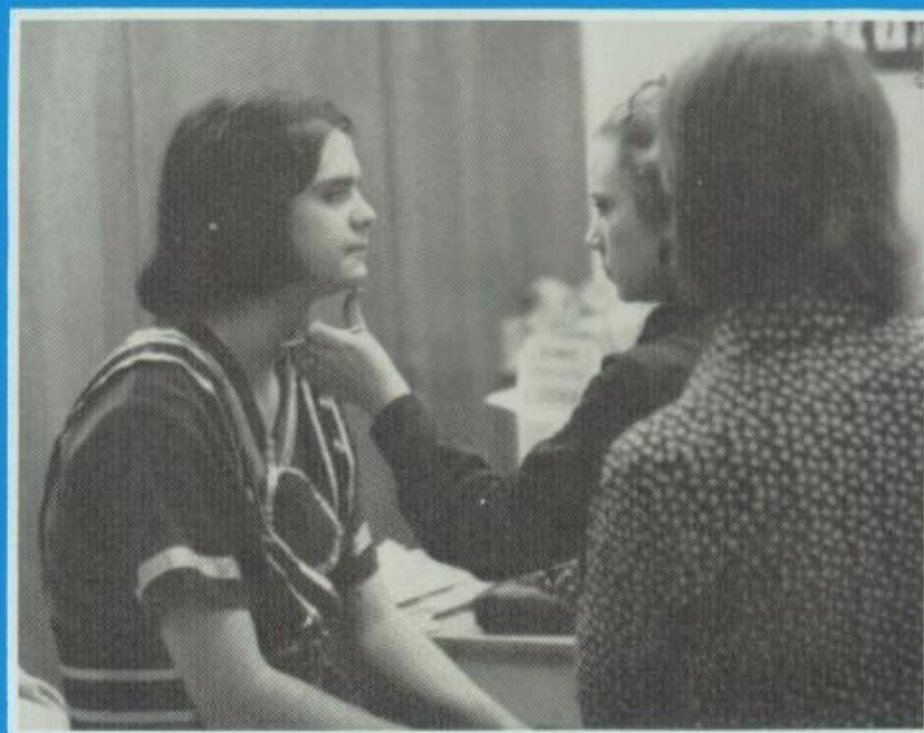

SLAVE DAY '73

The Kayettes held the second annual Slave Day to raise money for the club. Members of the club were chosen and sold at auction. Mrs. Crook, the Kayette sponsor, apparently persuaded Mr. Harris to "jack up" the bidding, however, the plan backfired and Mr. Harris ended up buying four slaves. The resale value of Mr. Harris' slaves was very profitable for the Kayettes. The highest priced slave was Cande Barbas. Cheryl Morris, freshman, made an outstanding show and also went for a high price. Ann Myers sold herself at auction, ending a successful slave sale. The day was a complete success and enjoyed by everyone.

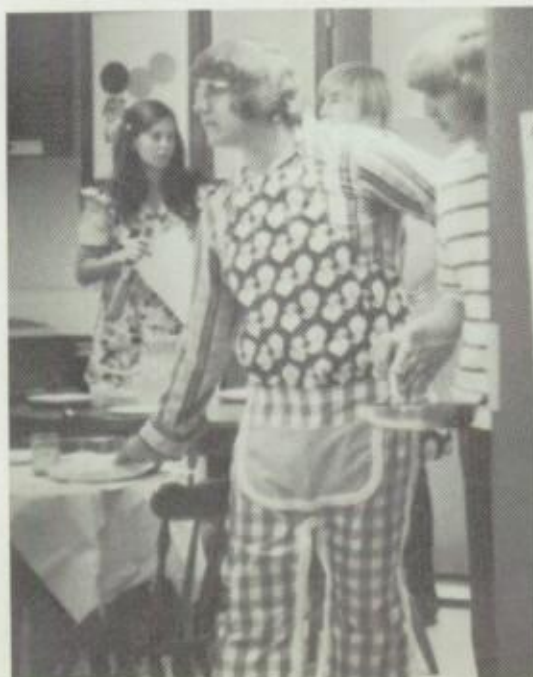

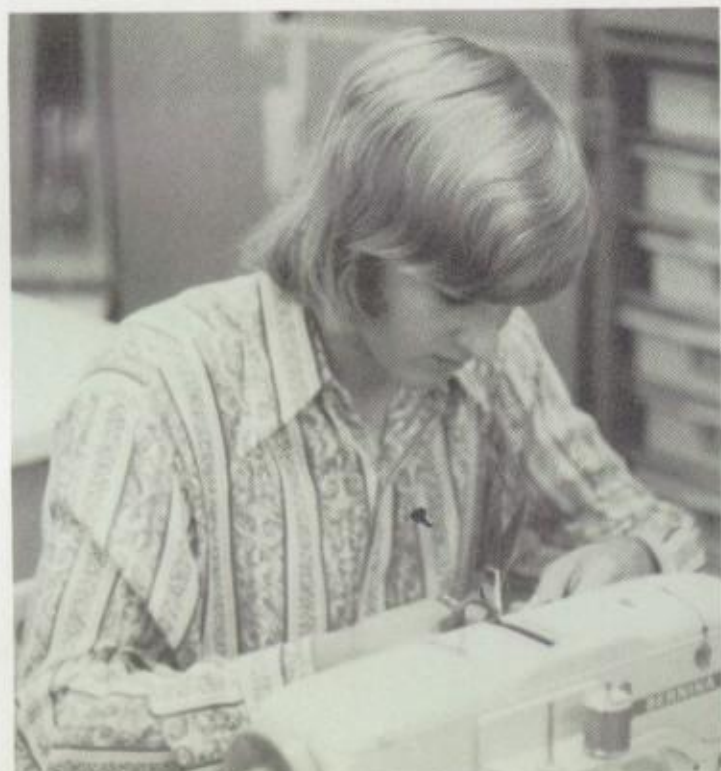

“THE CENTURION” PRESENTED AT EASTER CANTATA

The Centurion was presented at Goddard, April 17 & 18, for the Easter Program. Doug Riney played the Centurion and Paul Howe portrayed Christ. Mike Dold was Pilate and Mary Healy was Pilate's wife. The choir worked hard to prepare for the show while the Art department made the scenery. As usual, the program was excellent and went very well.

SHOP MEN TRY HARD IN HOME EC.

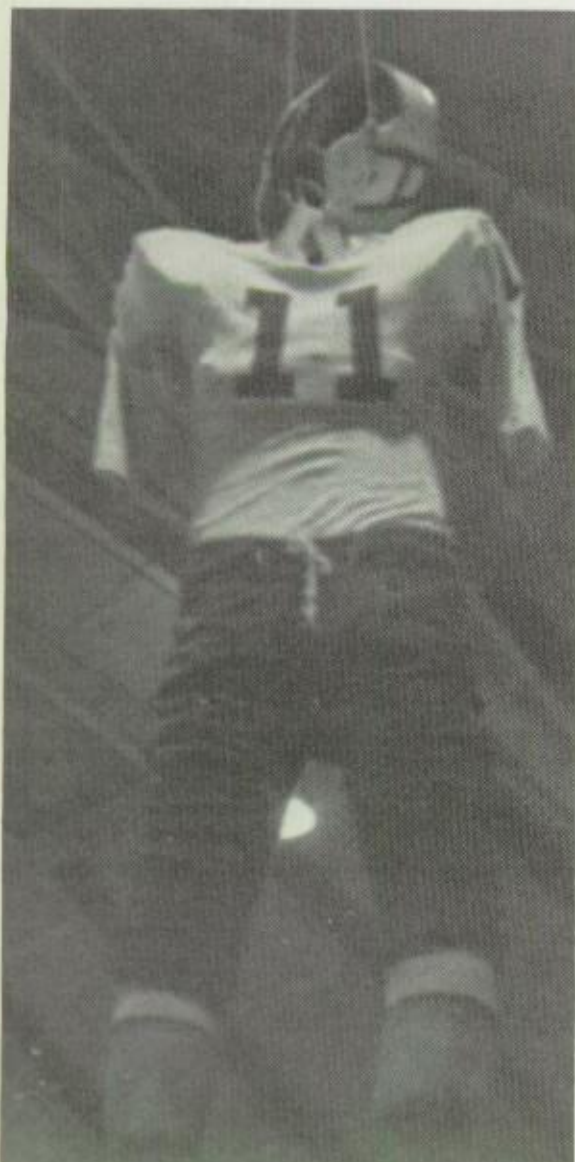

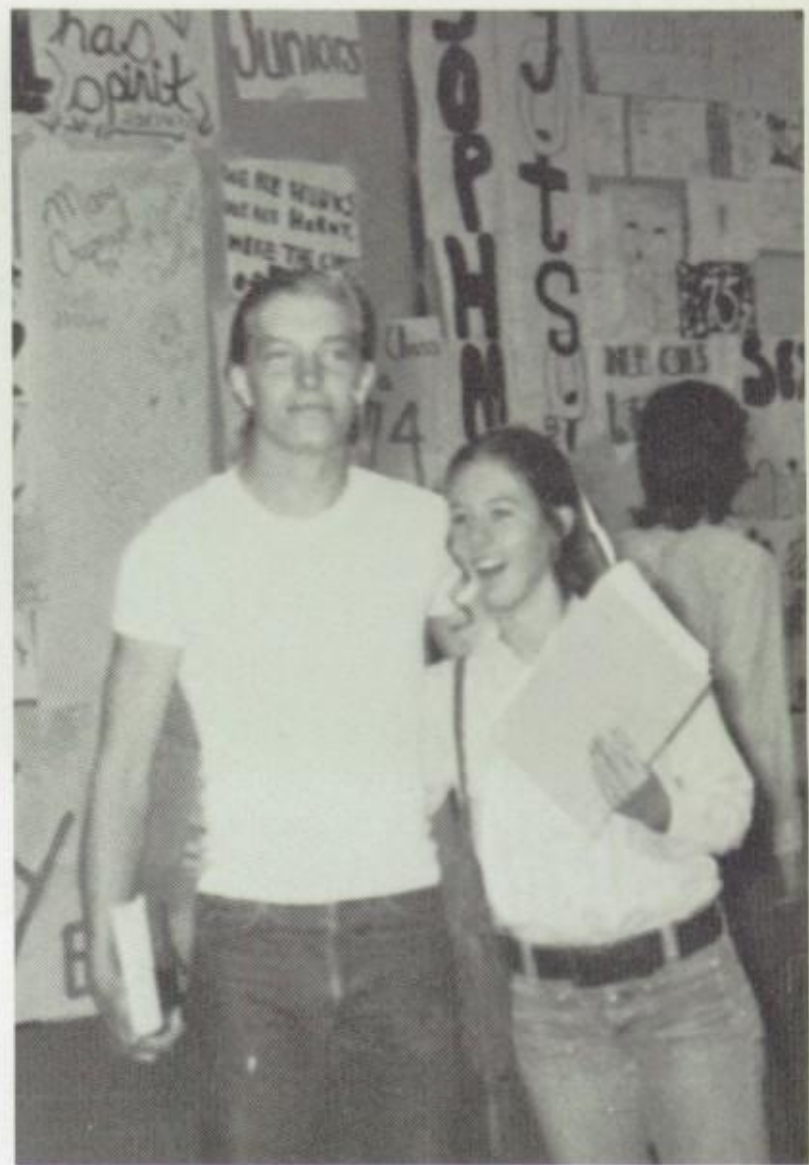

IT'S ONLY THE BEGINNING

The week of October 8th through 13th was declared "Spirit Week" by the Pep Club. Activities of spirit were shown by: Boot and Hat Day, All-American Day, Greaser Day, and Blue & White Day.

The 1973 Homecoming was ruled by the Lion's Queen, Barb Ray, and King, Don Lahar. Their attendants were, Seniors: Kathy Morgan and Gary Bogue, Juniors: Trisha Seidl and Mark Macy, Sophomores: Ginger Strealy and David Morgan, Freshmen: Mary Seidl and Danny Dunlap. Flower girl was Christine Flory and Crown bearer was Ronnie Cannup.

To complete the Homecoming activities, a dance was held after the overwhelming victory over Andover 32-0. The Mood provided the dance with music thus concluding the Homecoming activities.

SPRING VARIETY SHOW

ANOTHER DAY!

What a rough night!

When you're great ... It's tough to be humble.

The great, great me ... And no one to play with.

Here we go again!

It beats the line!

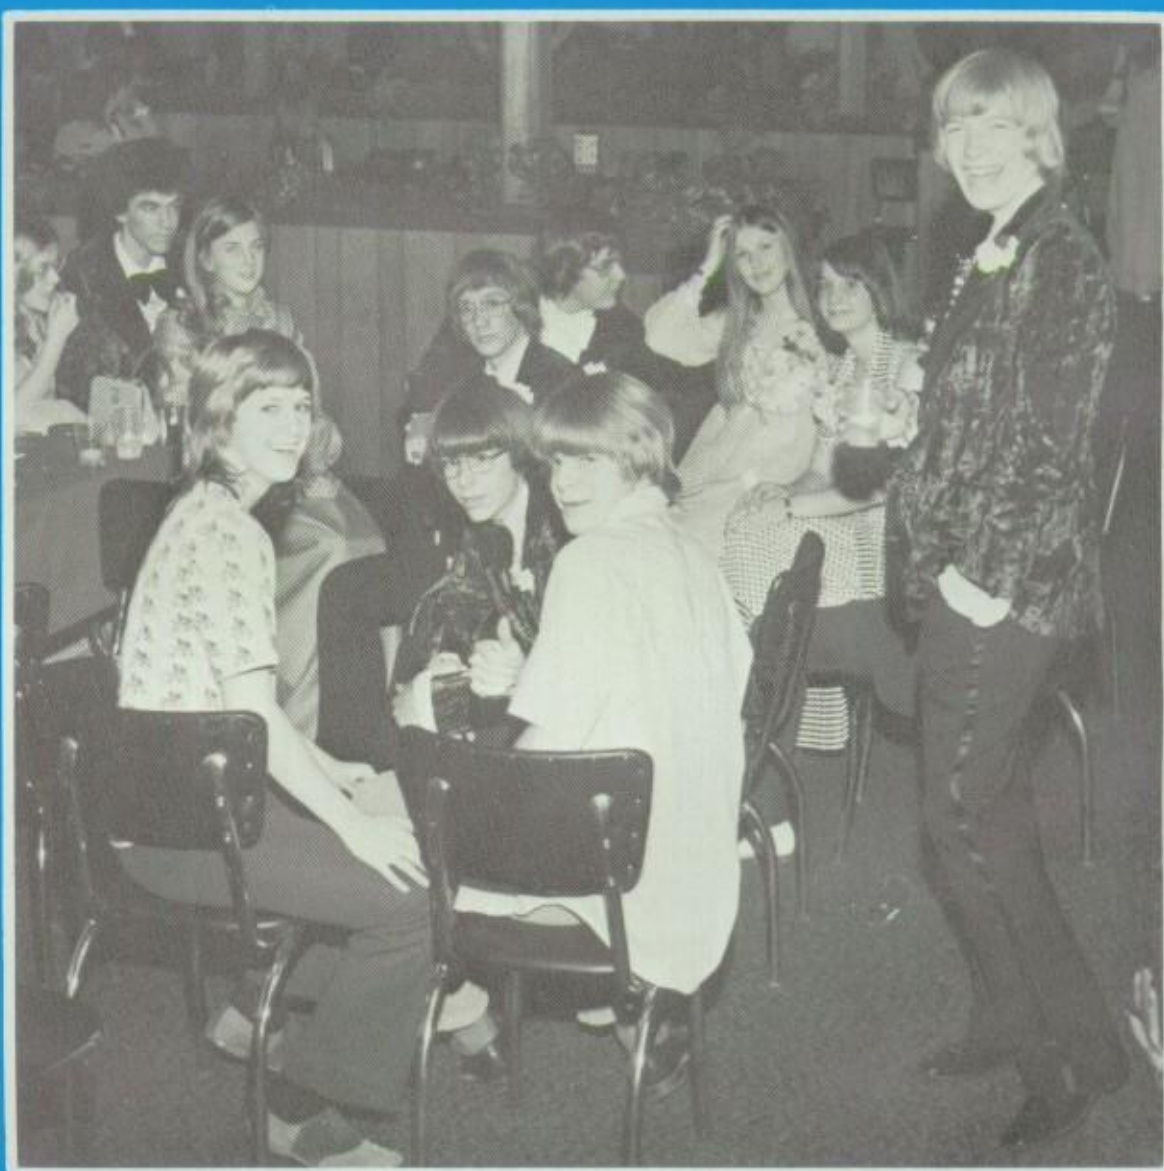

Innocence?

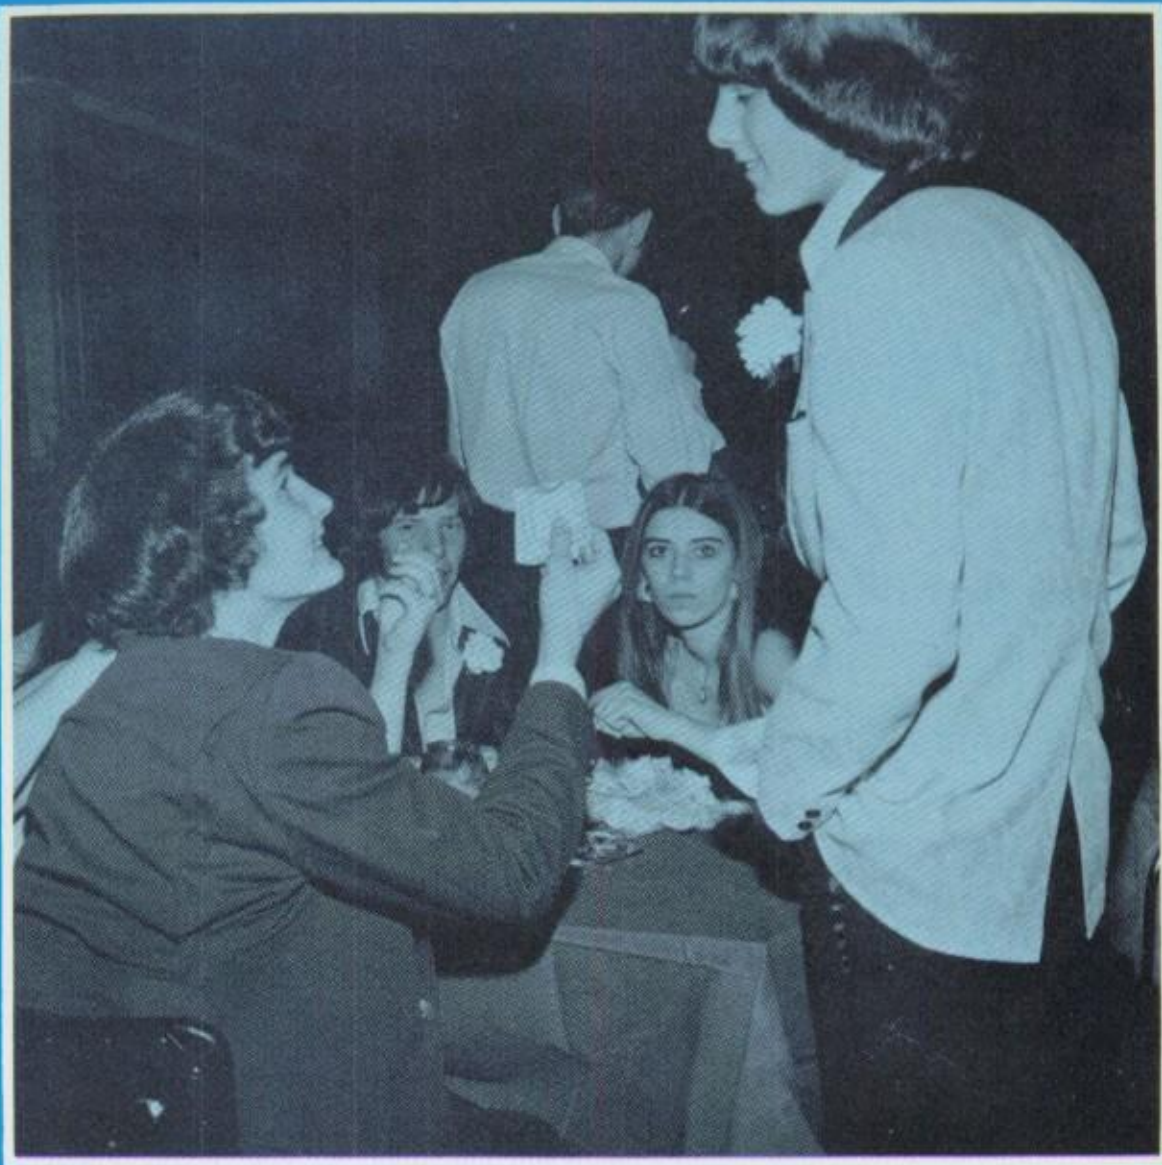

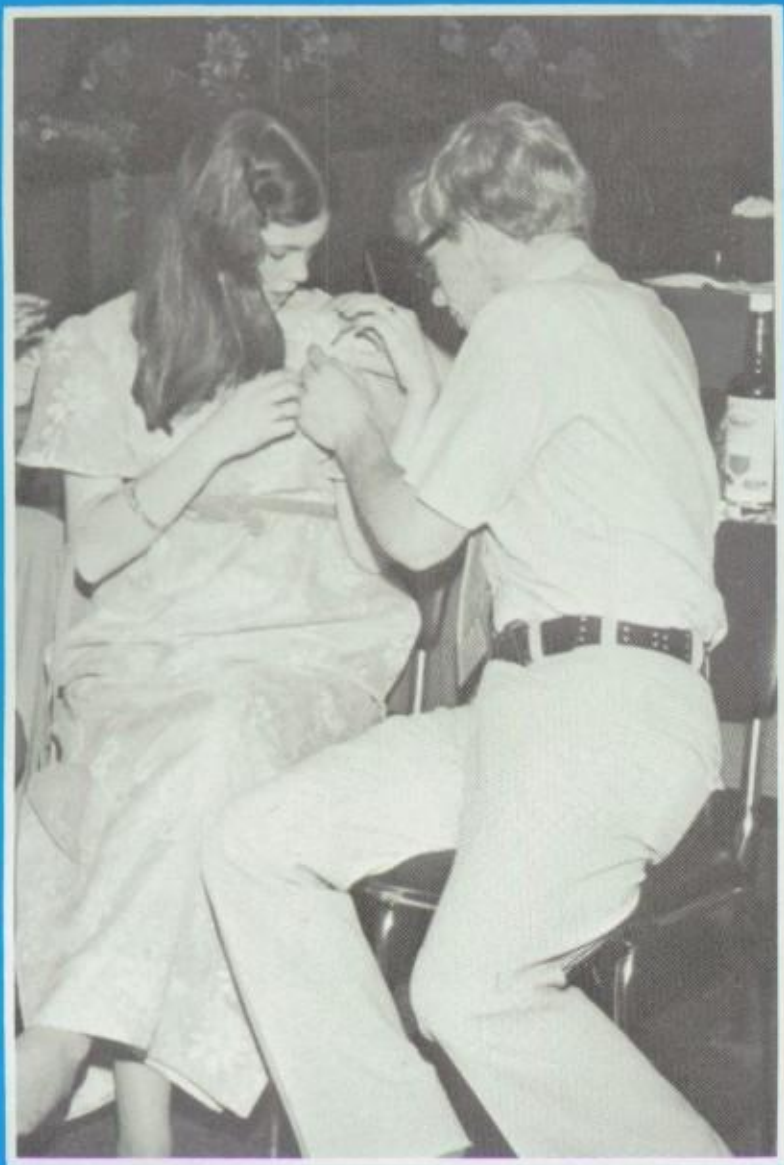

"GOLDEN APPLES OF THE SUN"

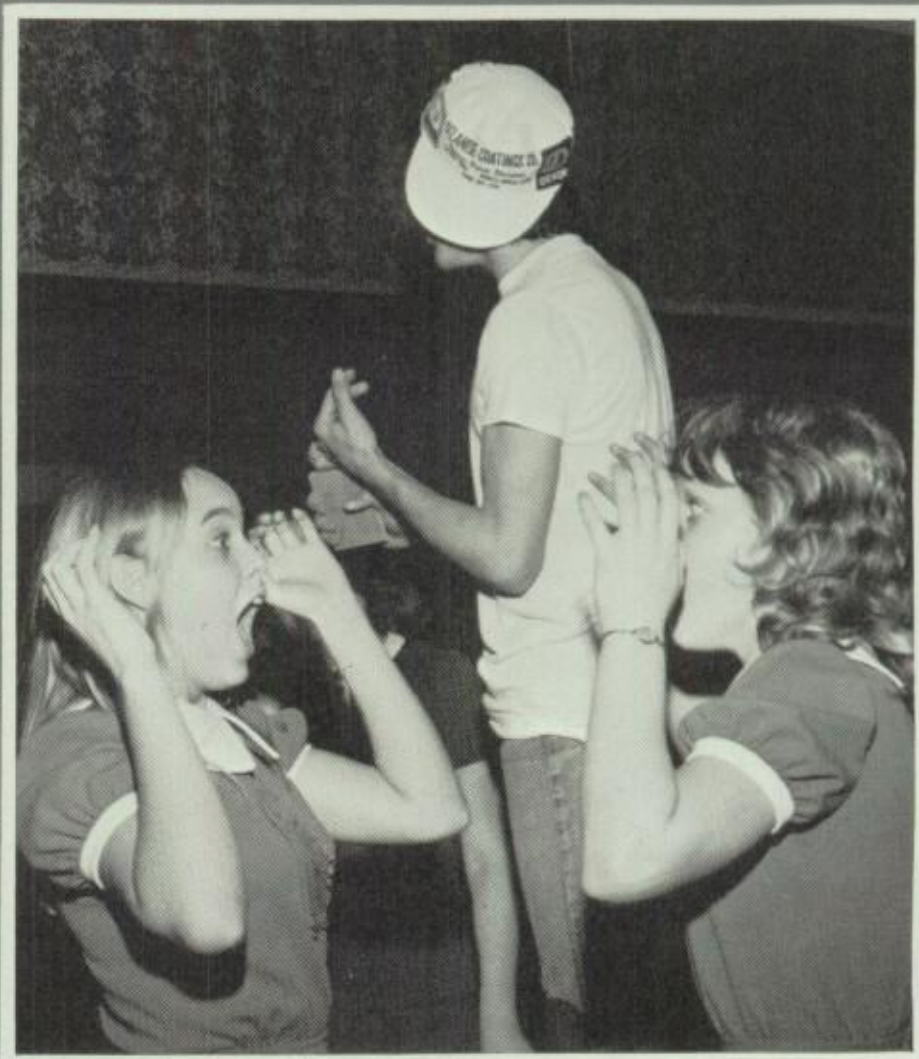

The threat of rain refused to dampen the already high spirits of the Junior and Senior class members on March 3, the evening of the annual banquet and prom.

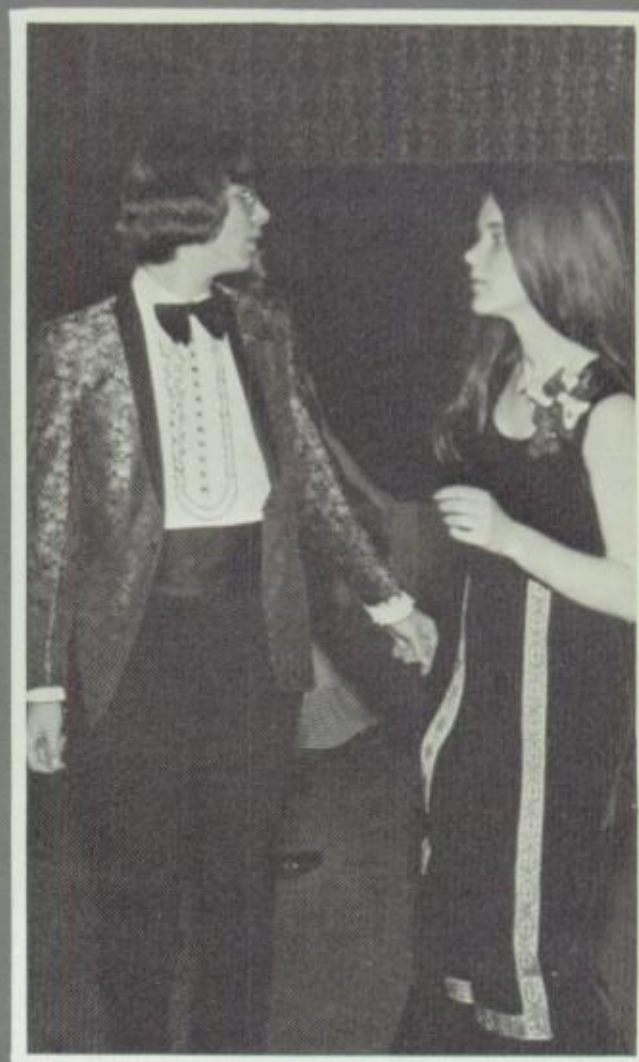

The theme, "Golden Apples of the Sun", was brought off by this year's Junior class with the usual dignified flair. The sophomores provided the entertainment by imitating our Seniors in a few of their more embarrassing moments.

The social affair was held in the elegant surroundings of the Fontaine Bleu and the guests danced to the music of the Cocky Fox.

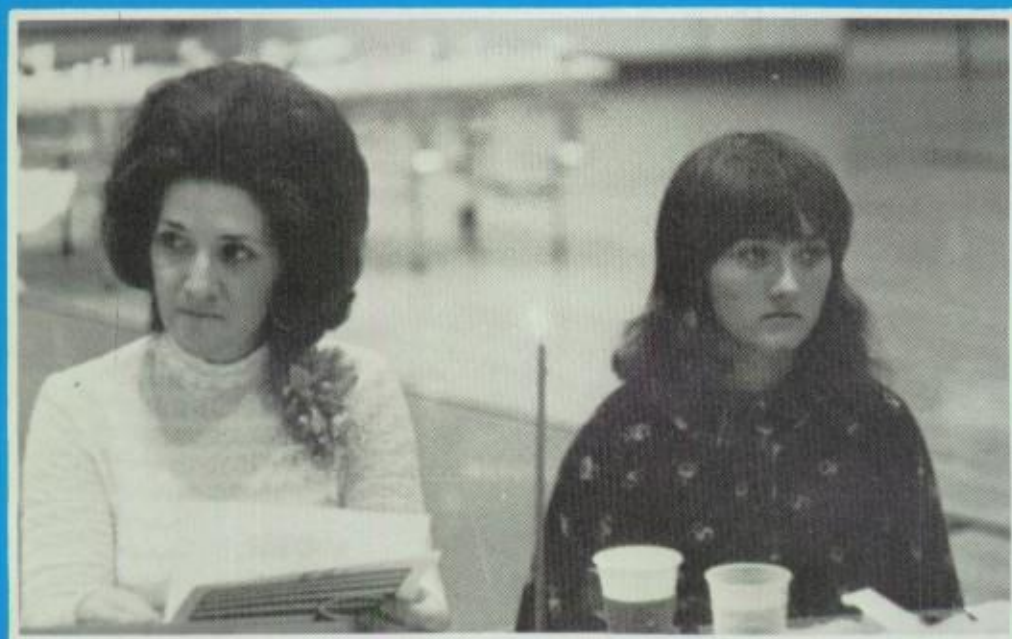

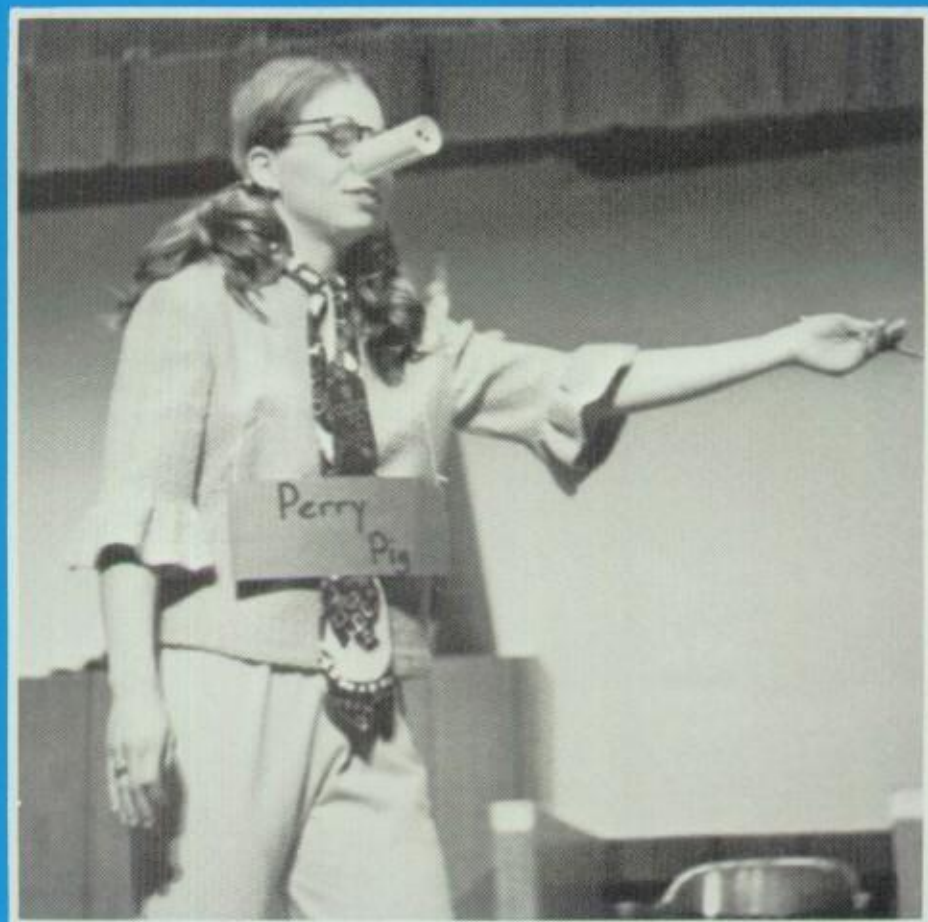

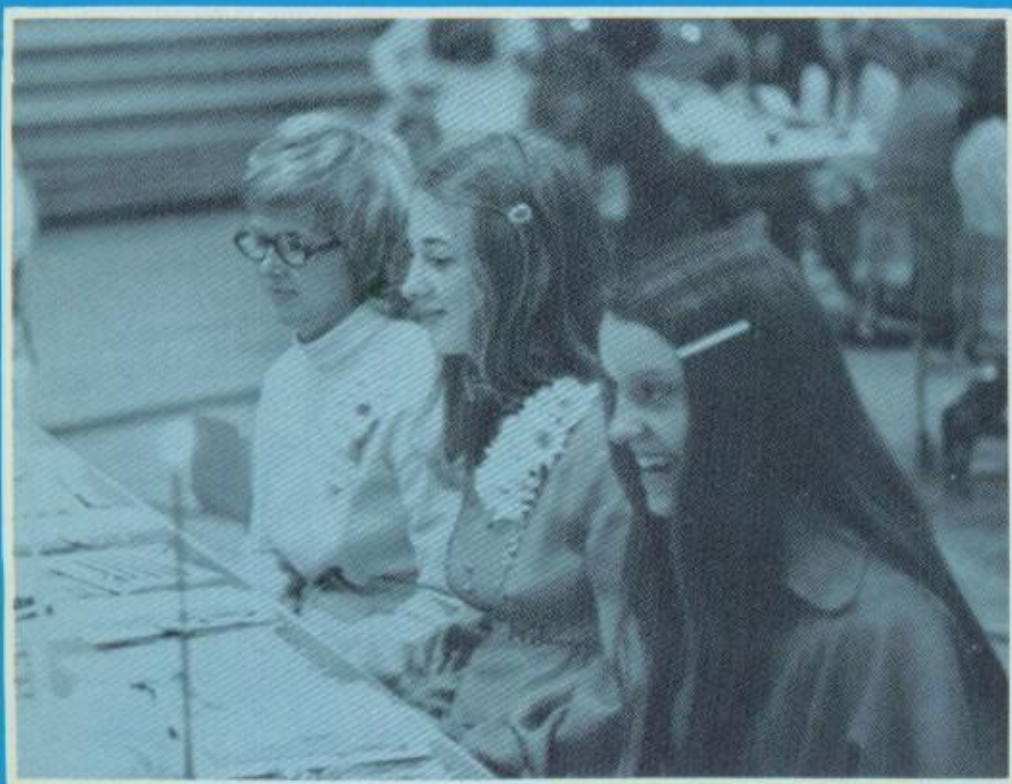

MOTHER-DAUGHTER BANQUET '73

Ecology, the theme and message of the 1973 Mother Daughter Banquet, was highlighted by a majestic and massive ecology flag waving over the banquet of Barn Yard Delight, fruit of Good Earth, Seaweed and Cloudy Water. Possibilities in recycling were demonstrated in the table decorations of thread spool candle holders and newspaper placemats. The program continued the theme with a court room drama "Butterfly vs. Winky Drinky Paper Cups" a plea against pollution. The Banquet was pleasant exposure to the essential point-it's time for everyone to pitch in.

Ecology, Ecology, Preservation is the key, open up your eyes and see How Beautiful It Could Be.

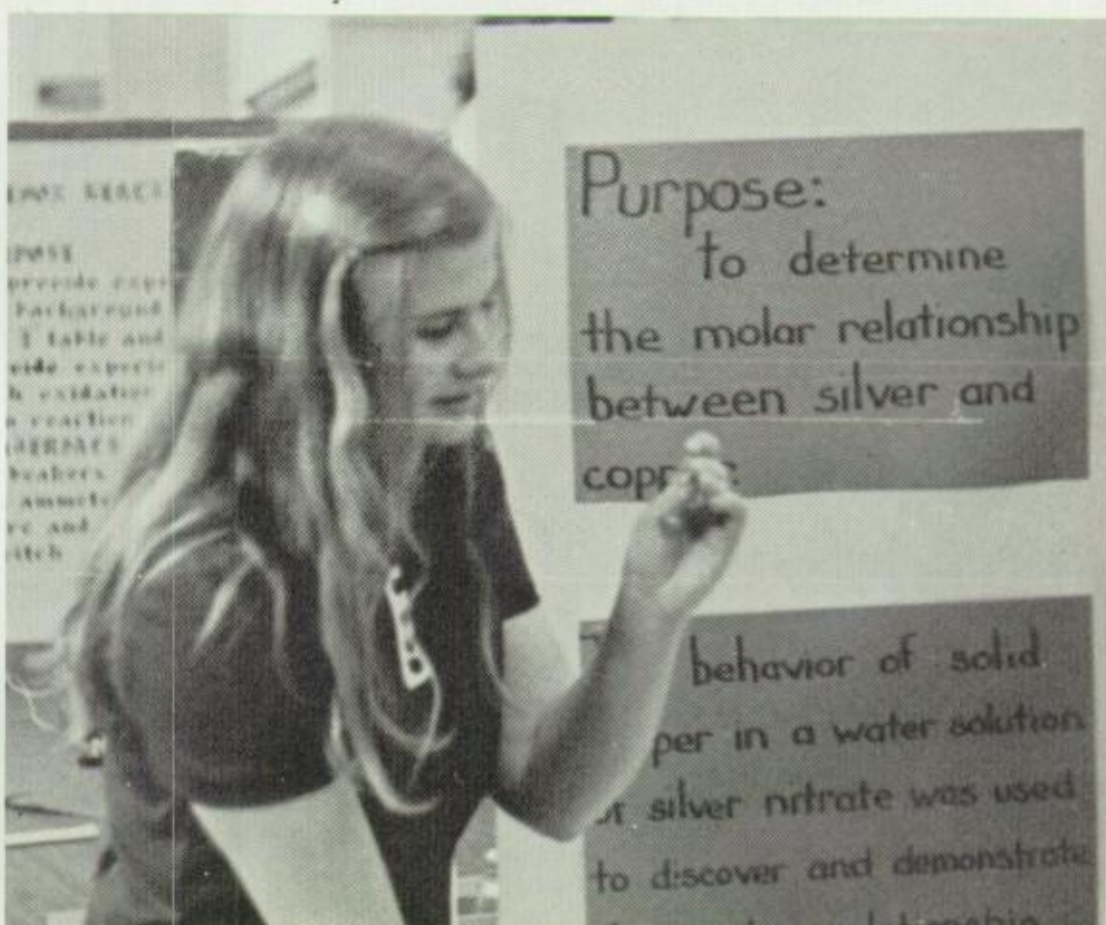

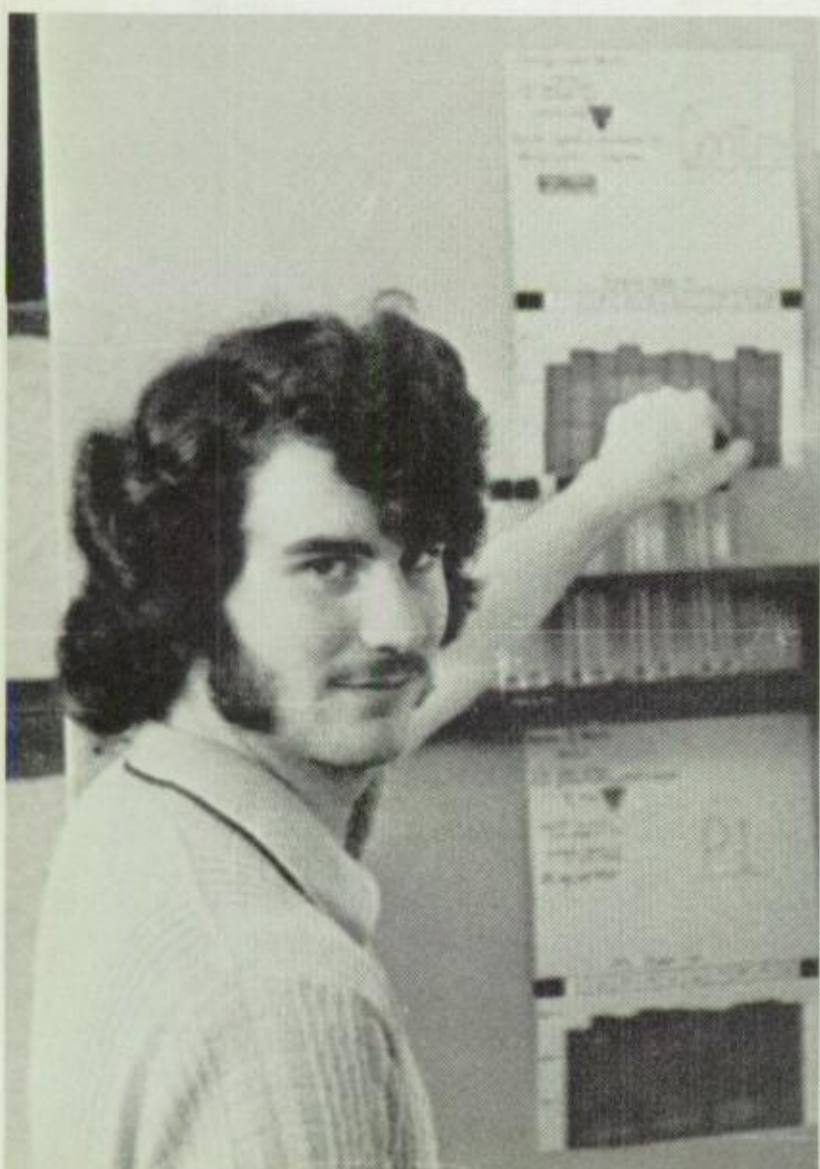

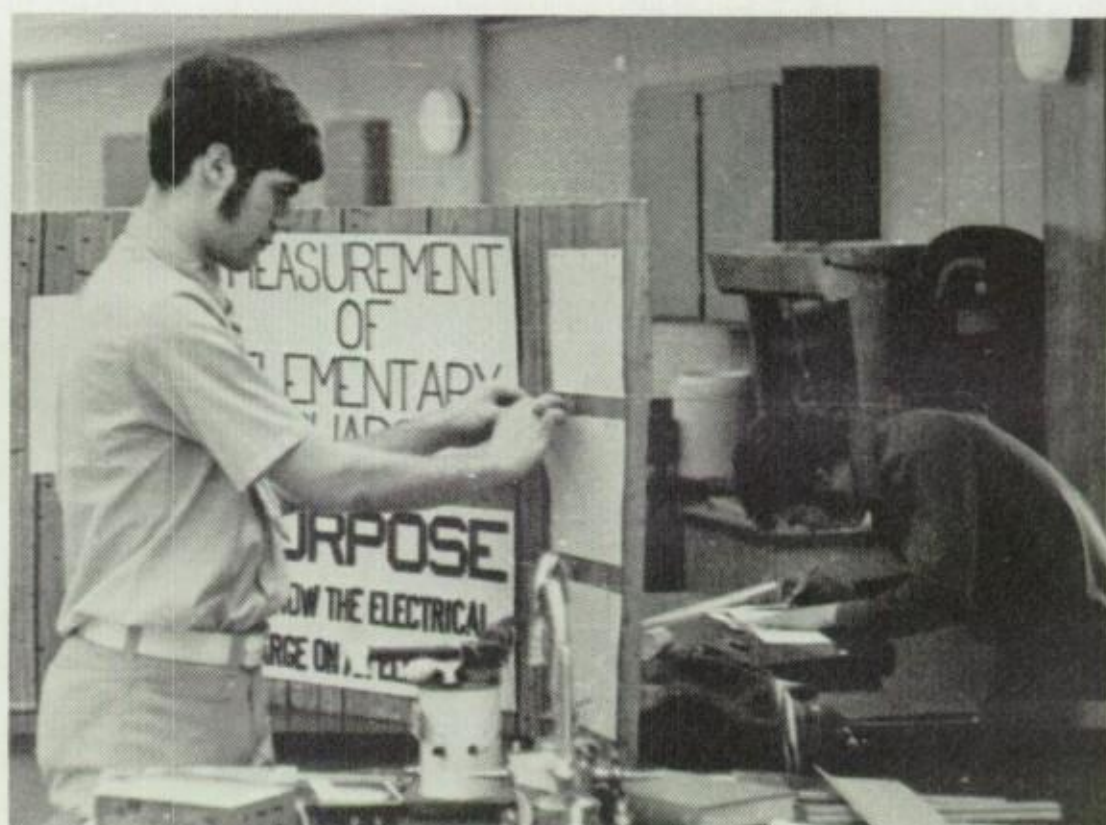

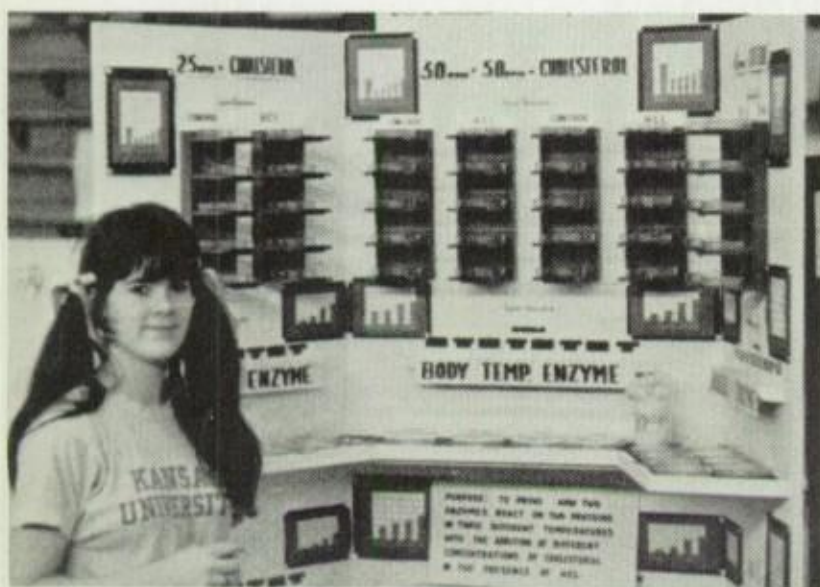

ONE ACT PLAYS

SCIENCE FAIR

Science students of Goddard High School participated and played a great role in making the annual Goddard Schools Science Fair a success. The fair was the largest in recent years. Despite the strenuous judging several blue ribbons were awarded and these people advanced to the Regional Science Fair held at Beechcraft in Wichita, Kansas. The high school portion of the show was dominated by Physical Science projects of which Randy Elliot's took the grand prize for that division. Julie Stallard took the Biological Science grand prize.

"HARVEY" WAS SEEN (?) AT GODDARD

On November 16 and 17, the drama department presented "Harvey," a comedy about two very close friends. One is a forty-seven year old man and the other is a six foot, invisible, white rabbit.

The lead role of Elwood P. Dowd was played by Randy Whitsitt. The co-lead, Harvey, was played by himself. Karen Carpenter played Elwood's sister, Veta Simmons. Dr. Chumley, a neurotic psychiatrist, was played by Randy Lunsford.

The performance of Randy Whitsitt, the night of the play, was truly sincere and showed a new side of his character. Karen Carpenter, Veta Simmons, made a fabulous showing as Elwood's dominating sister. Throughout the play Elwood and Harvey were assaulted by a series of problems, but Elwood is finally able to change everyone's opinion of his friend, Harvey.

PLAY PRACTICE

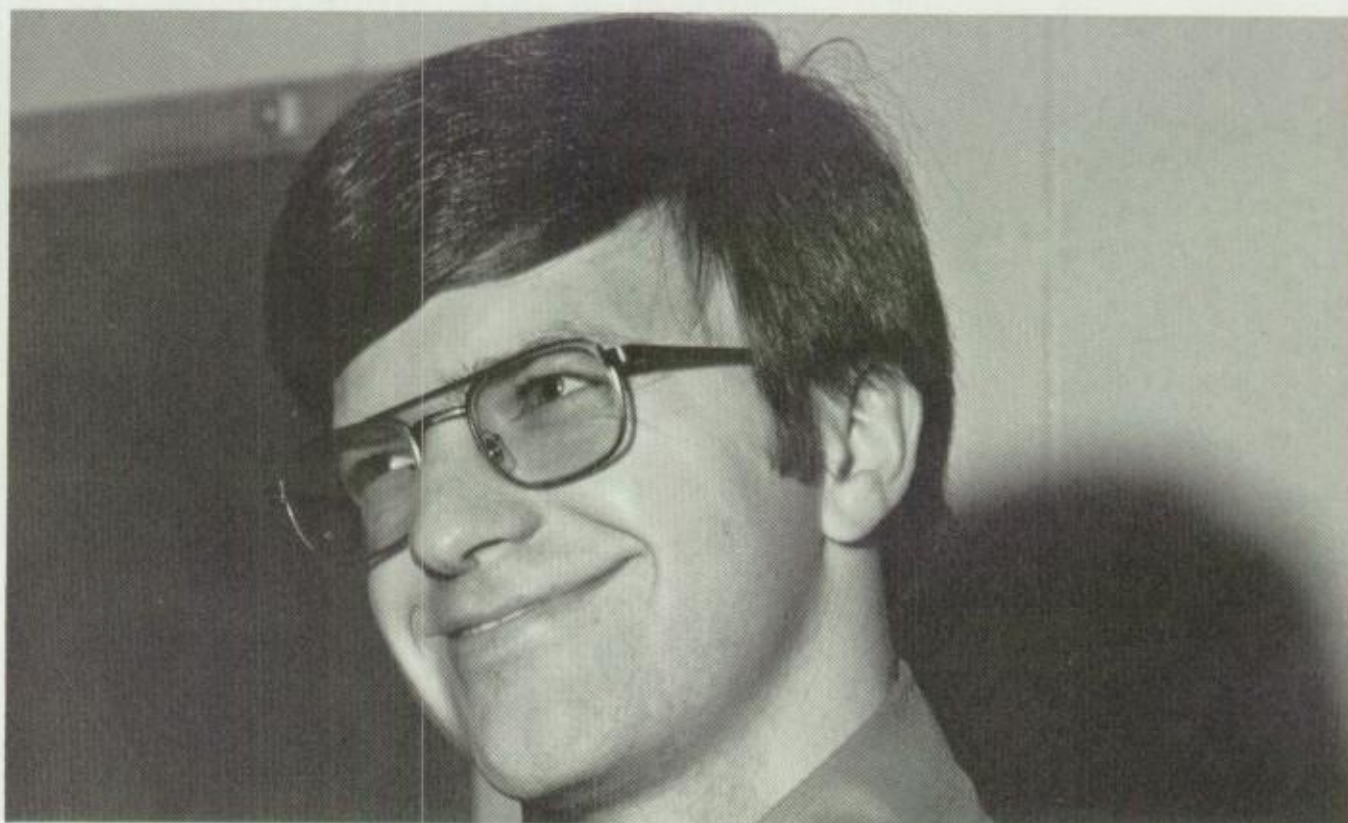

In preparing for a theatrical production, a certain amount of practice is needed. Learning the lines, the blocking, and the action. All this is very serious business but here are a few lighter moments of play practice. Remember, practice makes perfect.

MURDER TRIAL AT GODDARD

"The Night of January 16th" was presented at Goddard on March 26, and 27. Denise Beatty played Karen Andre, the defendant accused of murdering her former employer. Julie Hofts portrayed Nancy Lee Faulkner, the wife of the deceased. Larry Regan, a well-known criminal and friend of Karen Andre, was played by Jeff Freeman.

The cast was primarily under-classmen. But this did not detract from the play. The jury for the trial was selected from the audience. Several characters not only added evidence but also a little humor. Ann Myers made a fabulous showing as Mrs. Hutchins, a black cleaning woman. Deah Davis also added several laughs as Magda Svenson.

LIONIAN STAFF

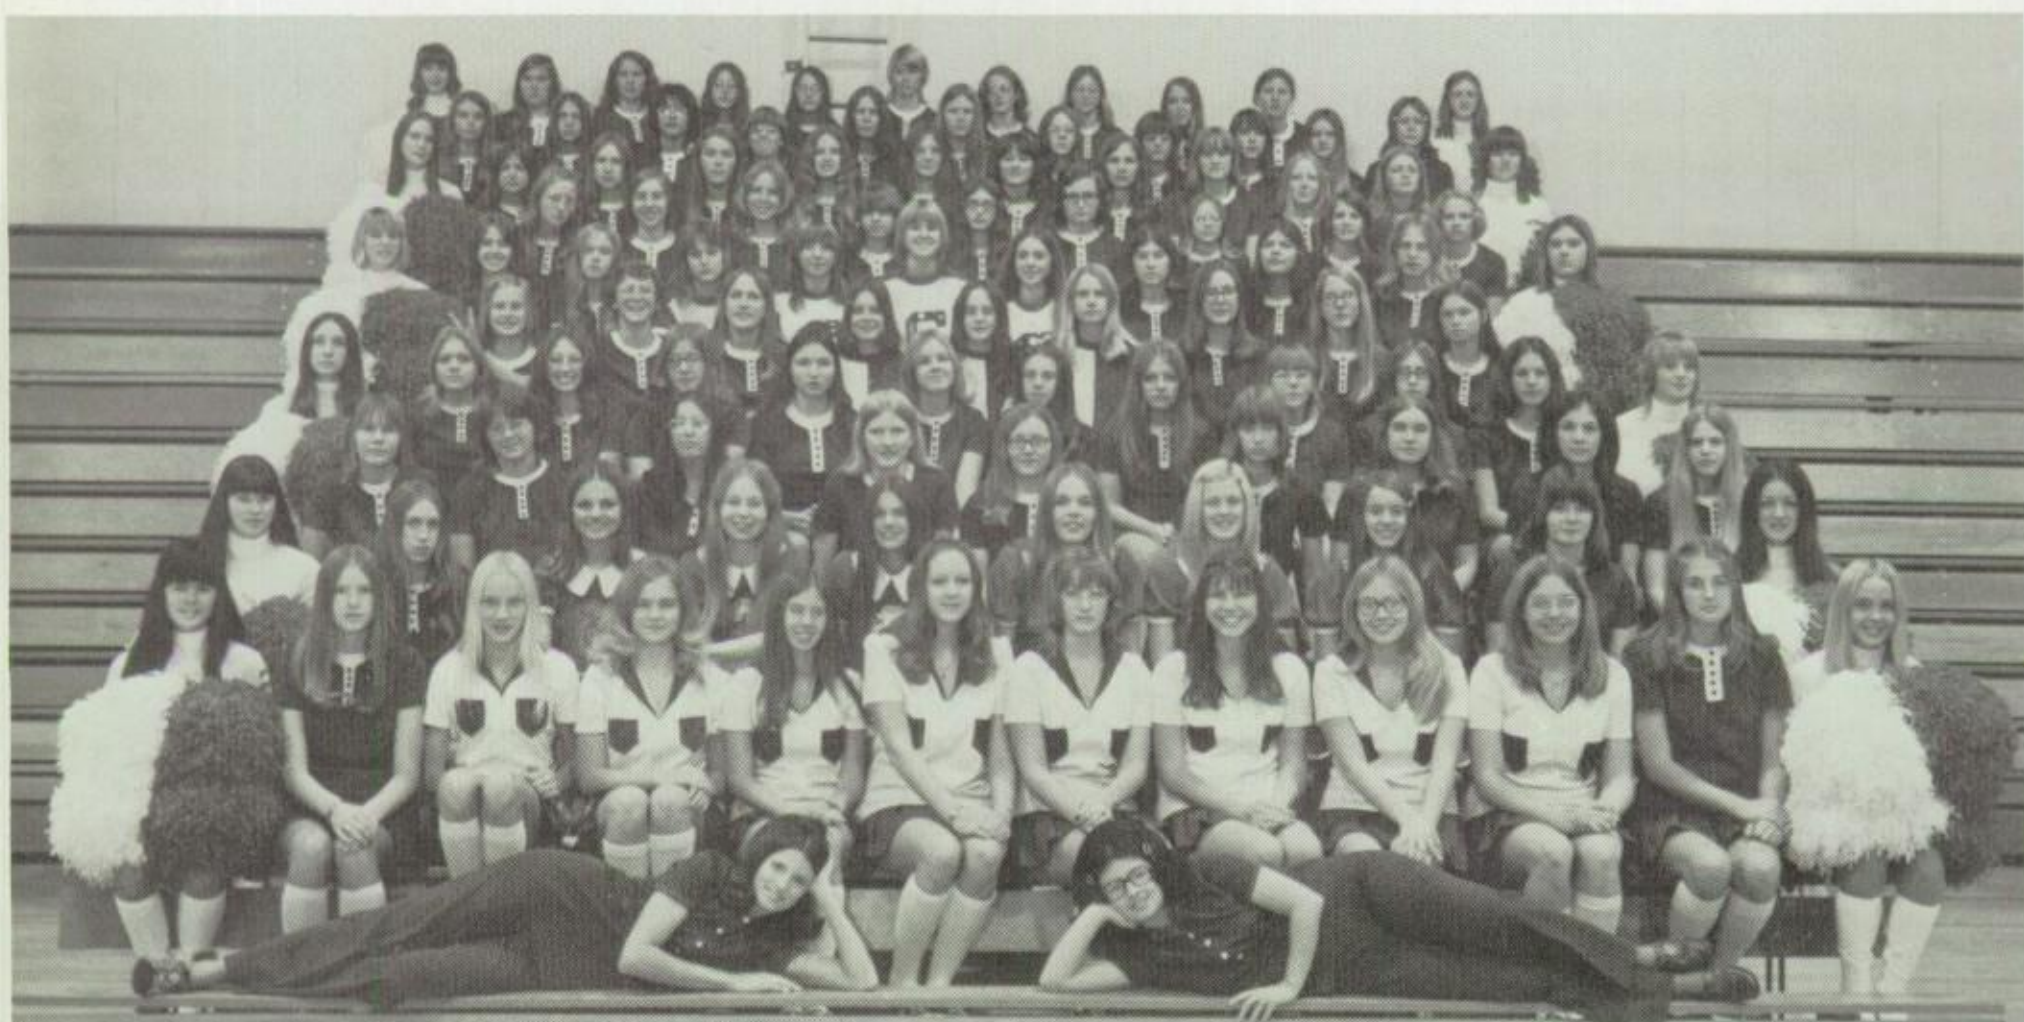

Working on the Lionian is noticing a good scene for a picture, writing copy with meaning, doing a really artistic layout, and doing your best. Disorganization and work are the yearbook.

Although there were no late hours as a group, Editor Steve Twietmeyer worked long and hard to meet the deadlines. Whether the people realize the work the staff members put into the book makes no difference. The important thing is that you read and enjoy the efforts of the staff, as they were meant to be--a history of the year 1972-1973 at Goddard High School.

PEP CLUB BOOSTS SCHOOL SPIRIT

The 1972-73 Pep Club boosted school spirits and moral, adding something extra to the enthusiasm of the student body. Through numerous money making projects this year's Pep Club raised funds enough to sponsor several activities. They sponsored Homecoming activities, several dances, and a Pep Club party. The Pep Club under the leadership of President Ann Myers should be commended for their efforts in promoting Goddard High School athletics.

LIBRARY CLUB

The progress of the Goddard High School's library's facilities and services owes a great deal to the work of this years Library Club. The volunteers aided Mr. Grubbs in maintaining a totally organized and very comprehensive facility. Whenever a student was in need of help these people were there to give the assistance in finding any of the materials on hand. On the side the club sponsored a classic humorous film and attended the State Librarians Convention where Dennis Fowler ran for state office.

Each summer there are many drill team camps for the girls to attend. The Drill Team was led by Captain Julie Stallard and Co-Captain Ginger Streal.

OFFICE ED GIRLS HAVE JOBS

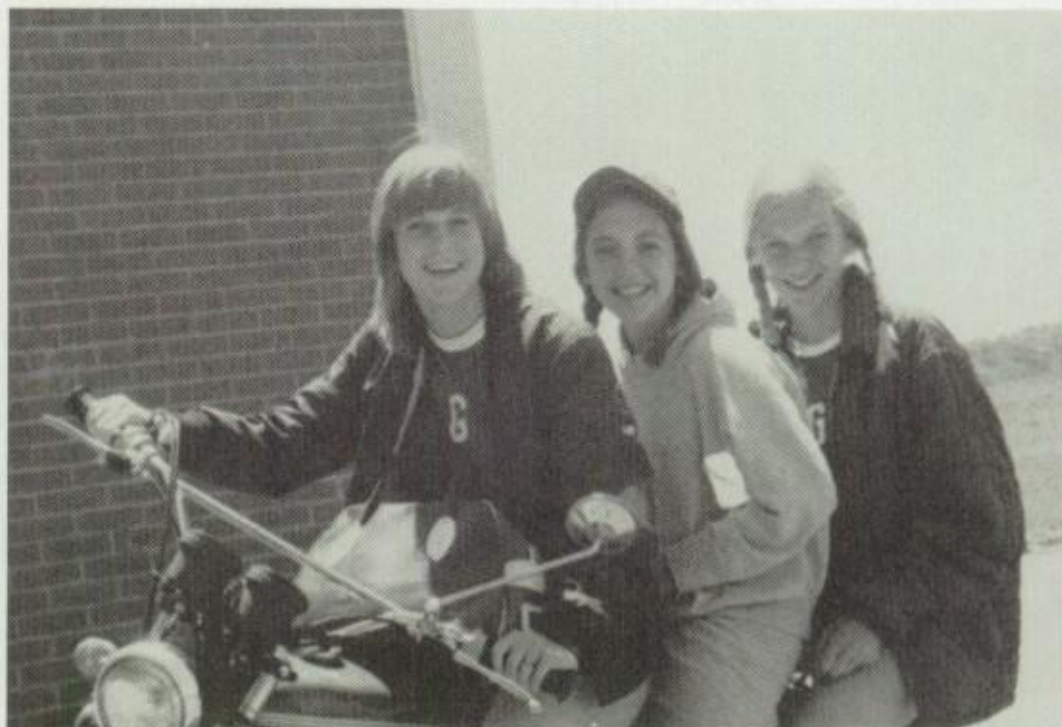

OEA was led by President Linnea Miller, Vice-President Deidre Addis, Secretary Karen Floyd, and Treasurer Jo Wade. Office Education gives students an opportunity to get acquainted with the "business world". Students may go to school and still maintain an office job during the afternoon also. Taking a trip to Emporia for state wide office skills competition, highlighted their year. Especially when Deidre Addis placed second in state for Telephone Techniques.

GGAC CLUB

With abundant enthusiasm, the Goddard Girls Athletics Club made its debut in 1973. Under the sponsorship of Mr. Seely, the club recognized those individuals who had earned a Varsity letter in athletic sports.

President, Michele Michaelis, along with the other officers, put forth a great deal of labor and exertion to produce an organization filled with cooperation. The Club encourages future athletes to strive for the degree of excellence required to become a member of this organization.

LETTERMEN'S

The purpose of the Lettermen's Club is to support all athletic teams and to promote all around school spirit. The club was also there to help the athletes to broaden their knowledge of the other sports they did not participate in.

The club's money raising projects were selling calenders and working concession stands, in the hopes of building the club's treasury enough to go on a spring skiing trip.

P.S.D.

The objectives of P.S.D. is to provide Goddard athletes with a program of off-season training. Mr. Jones sponsored the organization and ran the weight lifting program. The group earned money by working concessions at basketball games and used the money to buy P.S.D. t-shirts for each member of the club. The shirts signified by color, the degree of progress made by each participant in the weight program. The club acted as a binding force of fellowship between the athletes at Goddard High School this year.

STUDENT COUNCIL

The Student Council under the leadership of Pres. Mike Wigglesworth, worked to promote better teacher-student relations throughout 72-73 school year. The council organized a new form of counselor-student system where each teacher was counselor for a block of approximately 10 students. This enabled the students to take any personal or school problems to a person of their own choice. They also started the foundation of a future annual scholarship fund along with hosting the Chisolm Trail Inter-league Student Council.

GODDARD FOOTBALLERS FALL SHORT OF GOALS

VARSITY FOOTBALL

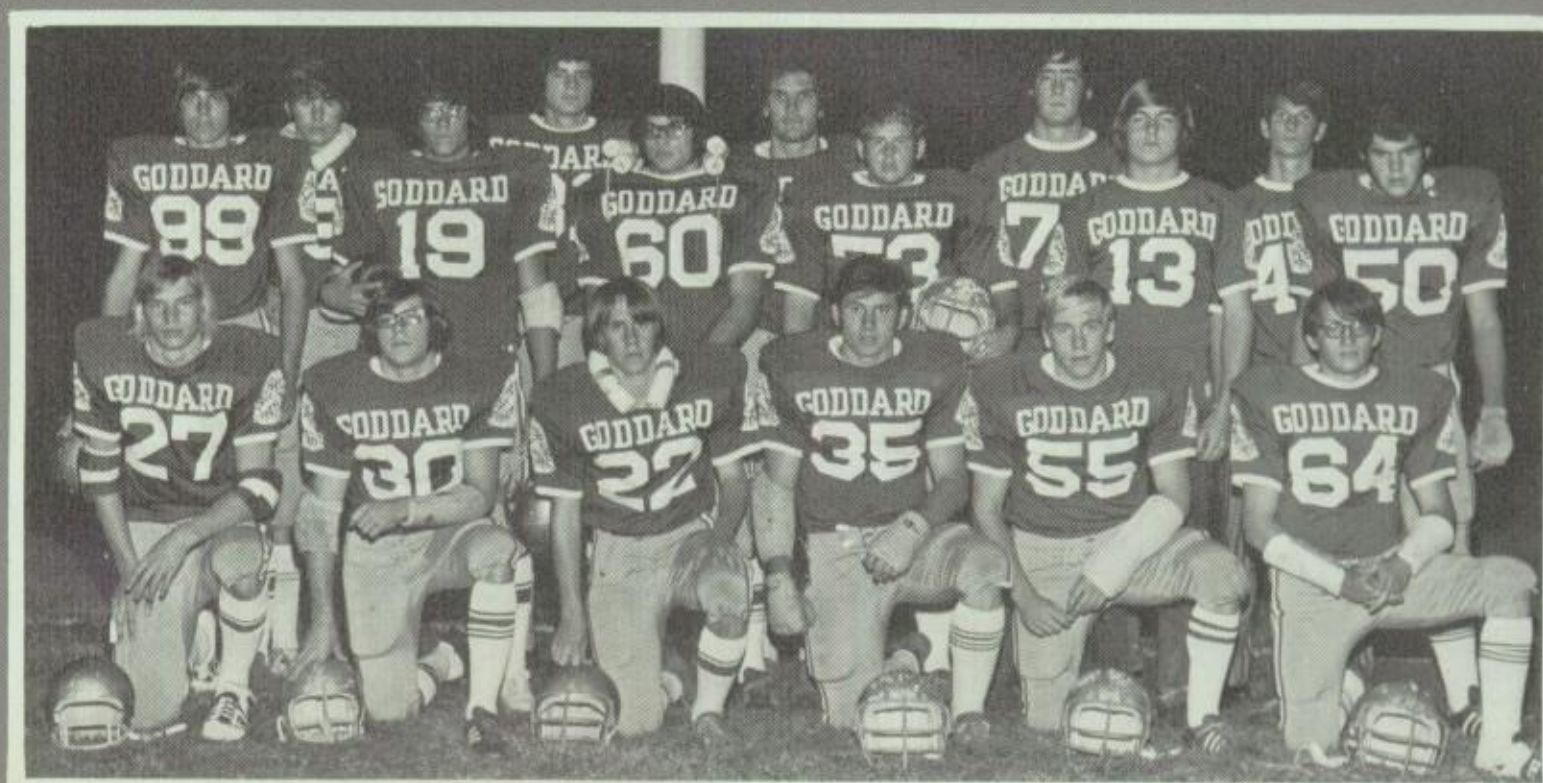

The 1972 season's practices were long, hard, and rewarding. During which the large attendance of Goddard backers at the games exemplified the fact that the performance of their team was impressive, regardless of the final score.

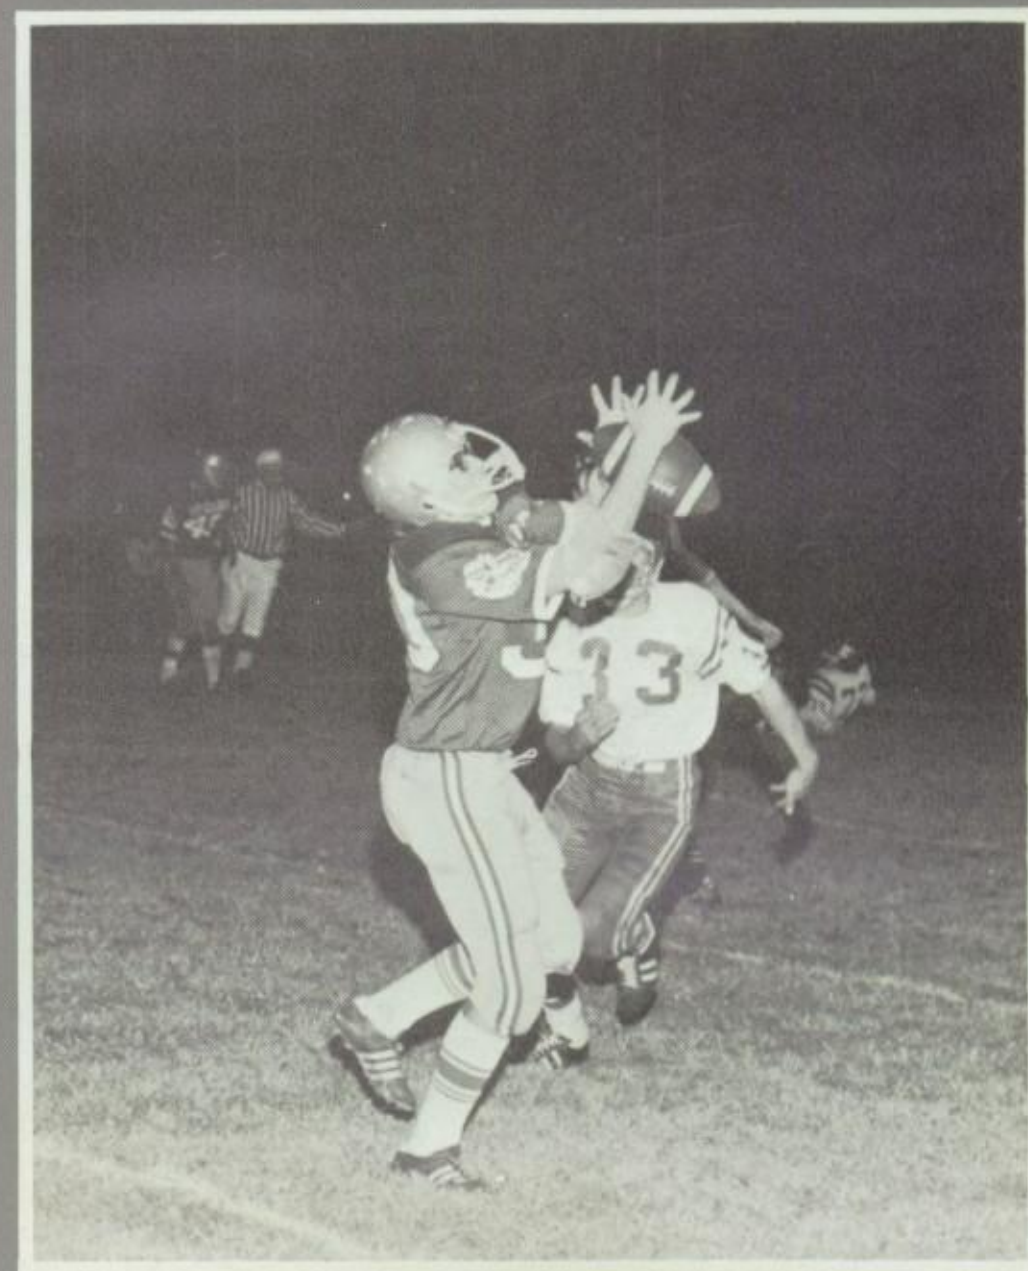

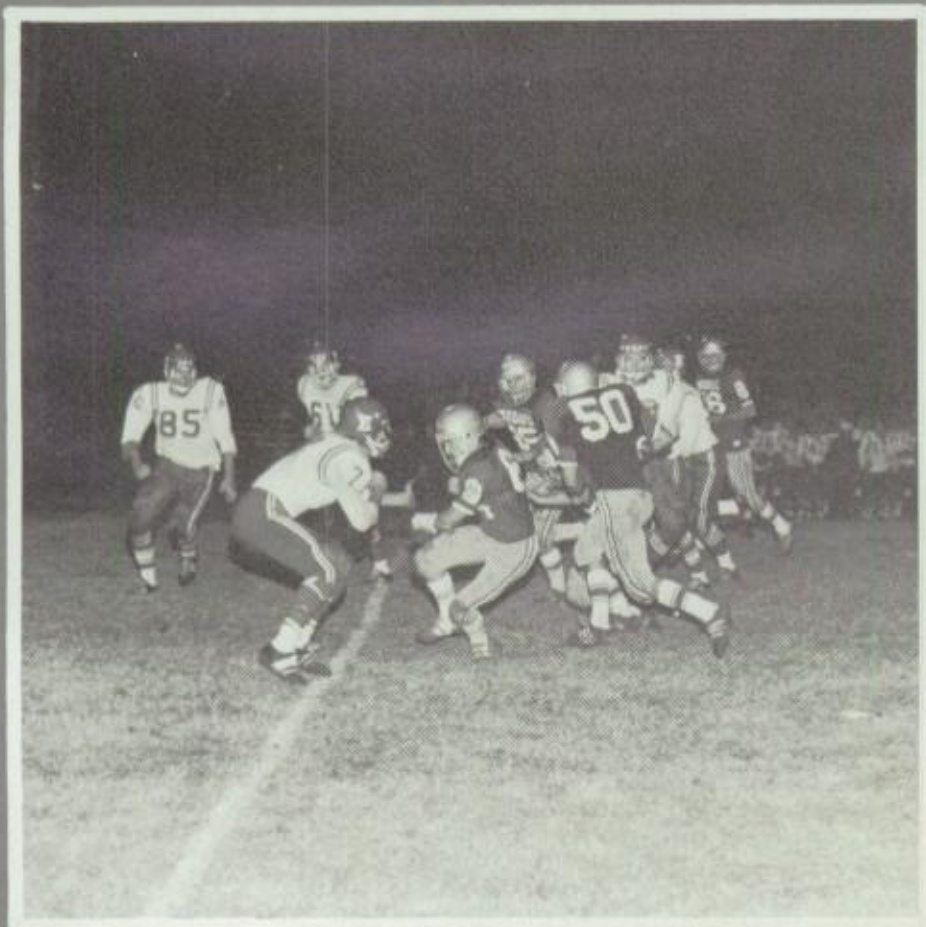

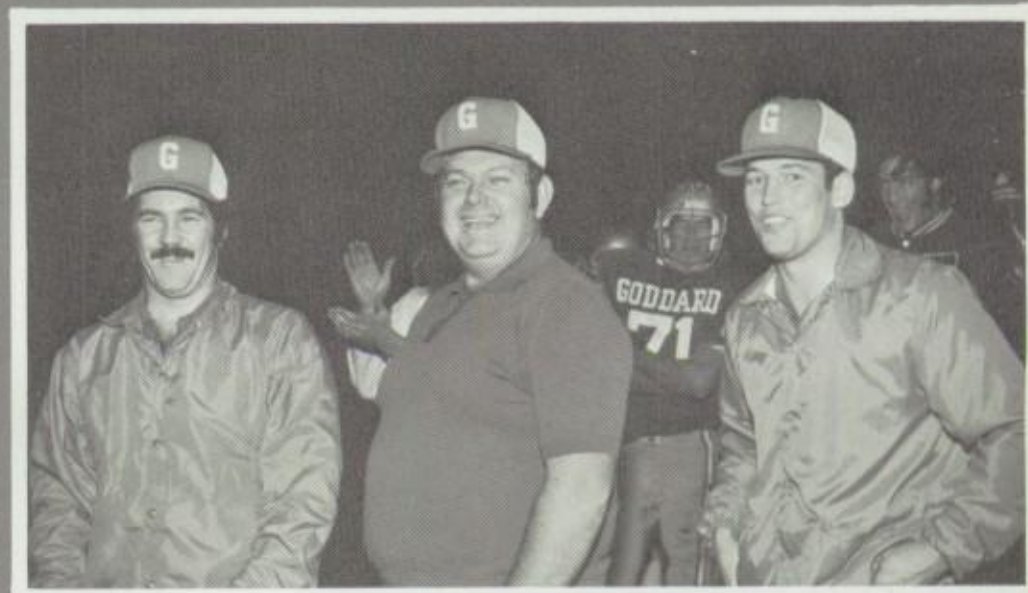

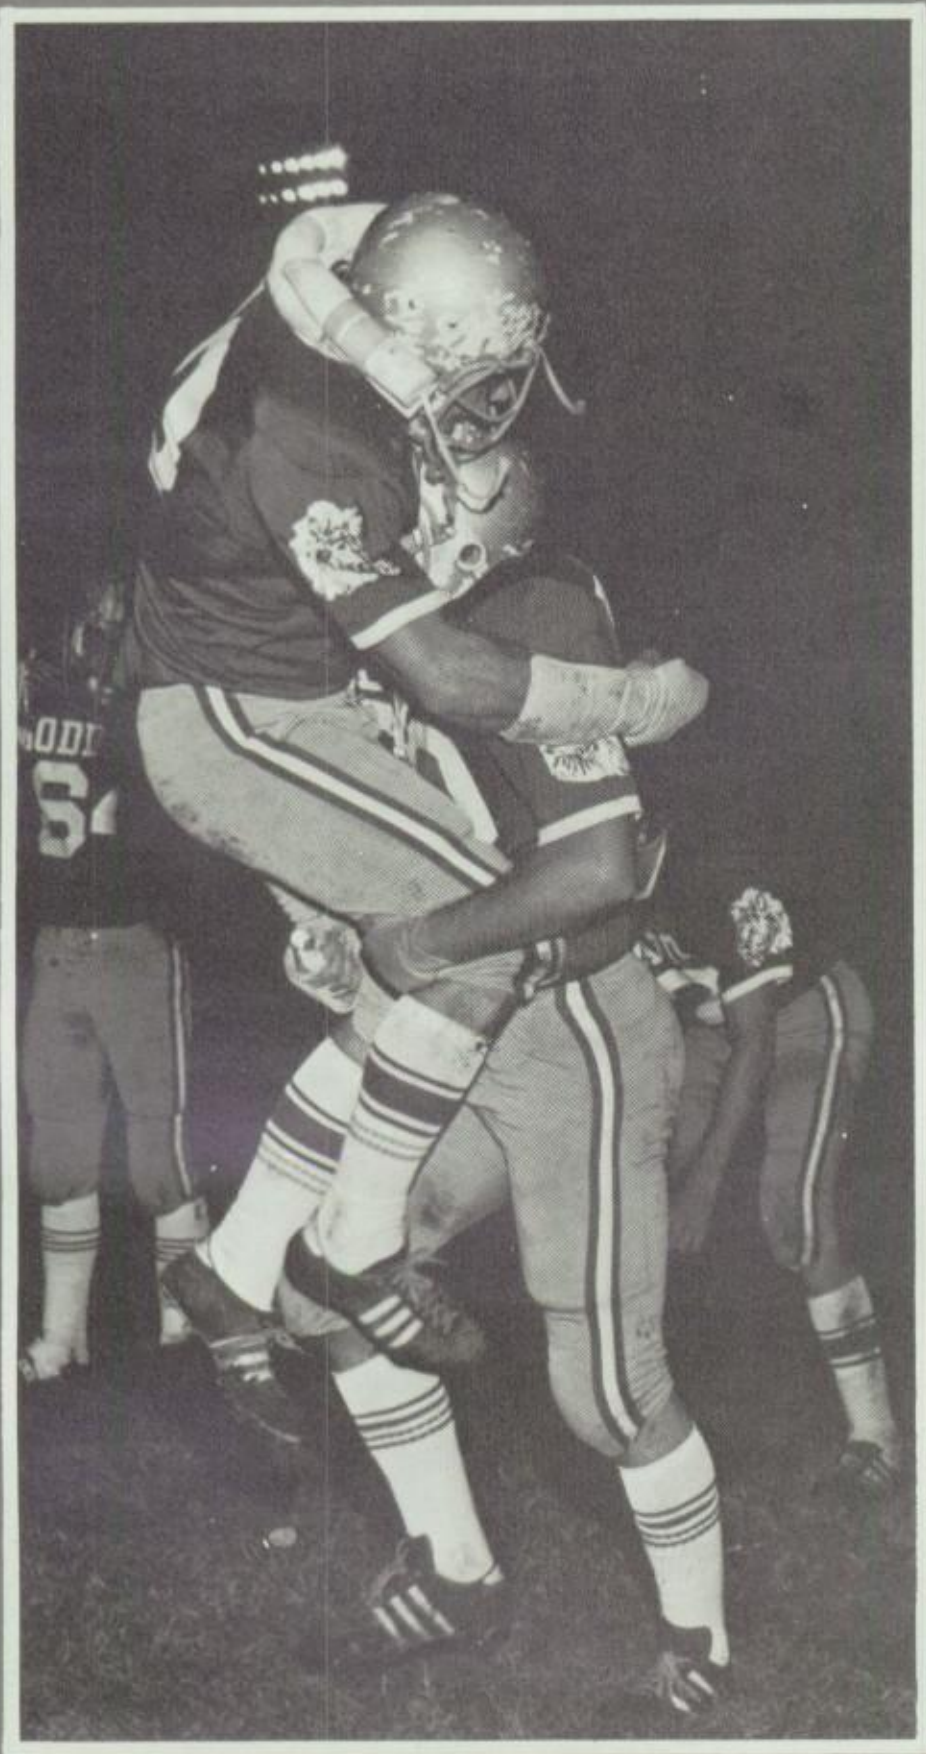

The Lions ended their season with a 4-3 league record, and a 6-3 overall record. This resulted in Goddard tying Augusta for 2nd place in league.

FROSH FOOTBALL

The purpose of freshman football is to give young players the fundamentals and experience needed to prepare their varsity careers. The Frosh coaches, Mr. Naden and Mr. Bowden, were satisfied with the progress their team made throughout the year and are quite sure they will contribute highly in the future in building a winning football team at Goddard High.

CROSS COUNTRY

This years cross country squad, though small in number, compensated with a great deal of discipline and self-pride. The team participated in the league and regional meets, along with other invationals throughout the surrounding area. Kevin Hofts set a new school record of 9 minutes, 40 seconds for a 2 mile Cross Country Course. Mr. Bowden, coach, had to divide his time between Frosh Football and the C. C. team, thus the team spent many before school hours in training.

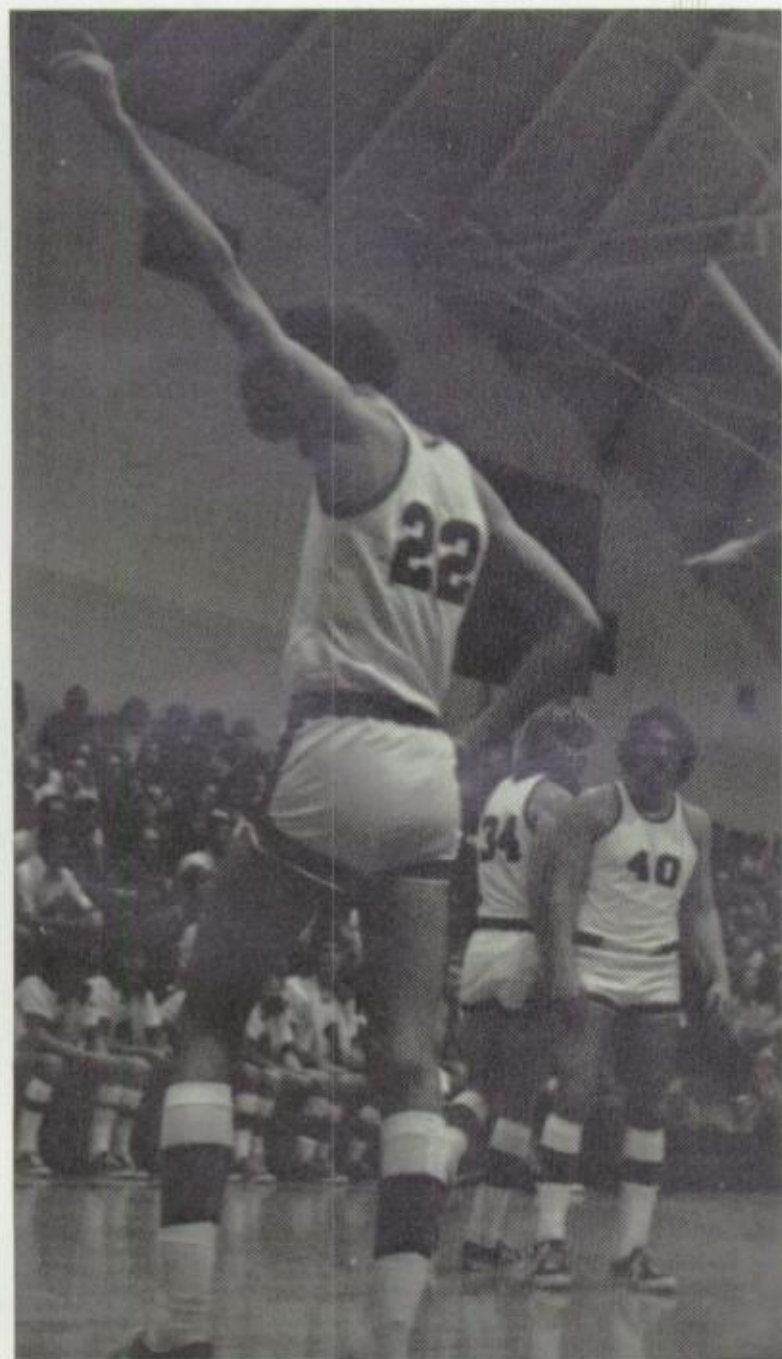

Coach Bowden, D. Pfister, K. Hofts, R. Fogleson, T. Rocholtz, K. Ferguson, B. Burdge, T. Burdge, M. Rowsey.

CAGERS MANAGE WINNING SEASON

The 1972-73 Goddard High School basketball team posted a 13-7 won-lost record this season. The team participated and placed third in the Campus Invitational Tournament in Haysville, Kansas, along with finishing in a 2nd place deadlock with Augusta and Chapparral in the final Chisolm Trail League standings. This years squad consisted of a multitude of youth with a starting lineup consisting of usually 3 to 4 underclassmen, so the outlook for next year is indeed a promising one. Graduating seniors this year were Gary Bogue, Greg Hupp, David Morris, and Randy Vautravers.

B-TEAM BASKETBALL

Before each Varsity contest of the year, the Junior-Varsity team played their game and displayed the youth and talent up and coming in the Goddard High Basketball program. This years' Junior-Varsity posted a 9 win 7 loss record. The team, coached by Mr. Bowden, not only played their own schedule but also practiced against the varsity squad providing the much needed work and competition necessary in building a strong varsity program.

C. Cavanaugh, B. Lentell, D. Sallee, M. Ogden, D. Earles, D. Brown, M. Jordan, T. Bieker, T. Voge, M. Bowles.

FRESHMEN PLAY TOUGH COMPETITION

Mr. Mason and his freshman corps of roundballers posted a successful 8 win and 5 loss record this season. This years freshman schedule consisted of the toughest competition ever played by a Goddard 9th grade team. The team competed and faired well against much larger schools such as Newton, Arkansas City, Kapaun-Mt. Carmel, and Carrol. The freshman also competed in two tournaments, The Kapaun Invitational and our own Goddard Invitational.

GIRLS TRACK "ALL TOGETHER"

Girls athletics progressed onward with the help of the 1973 girls track team. Under the guidance of Coach LaBrue the budding athletes eagerly competed in seven track meets. During the season they received many honors including second place at the league meet. The effort and determination of all girls was displayed when the team "put it all together" at the Cheney Invitational by winning first place. This was the first trophy to be achieved by the girls track team and it ended the season with a positive attitude.

FIRST GIRLS TENNIS TEAM HAS SUCCESS

The girls' tennis team of '72 and '73 had an exciting year. Mrs. Martin coached the young team consisting of freshman and sophomore girls.

The two most important meets were the Chaparrall Invitational and the Regionals. The girls had success at both meets, with most of the girls making it to the second round.

FIRST ROW: V. Bennett, C. Hayes, C. Jordan, D. Fox, G. Strealy.
SECOND ROW: Coach Martin, G. Hurst, B. Spain, M. Maben, J. Shinogle.

VOLLEYBALL TEAM SECOND IN LEAGUE

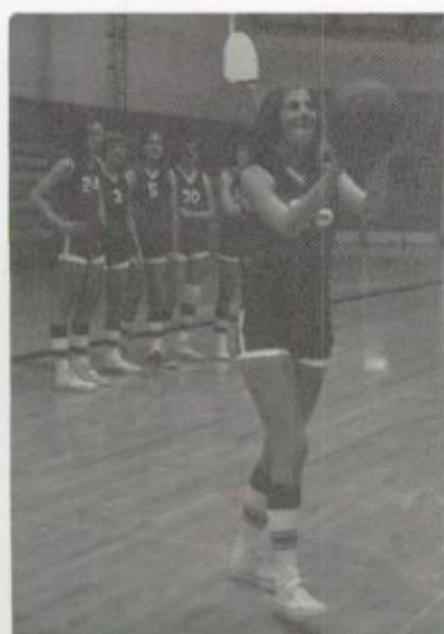

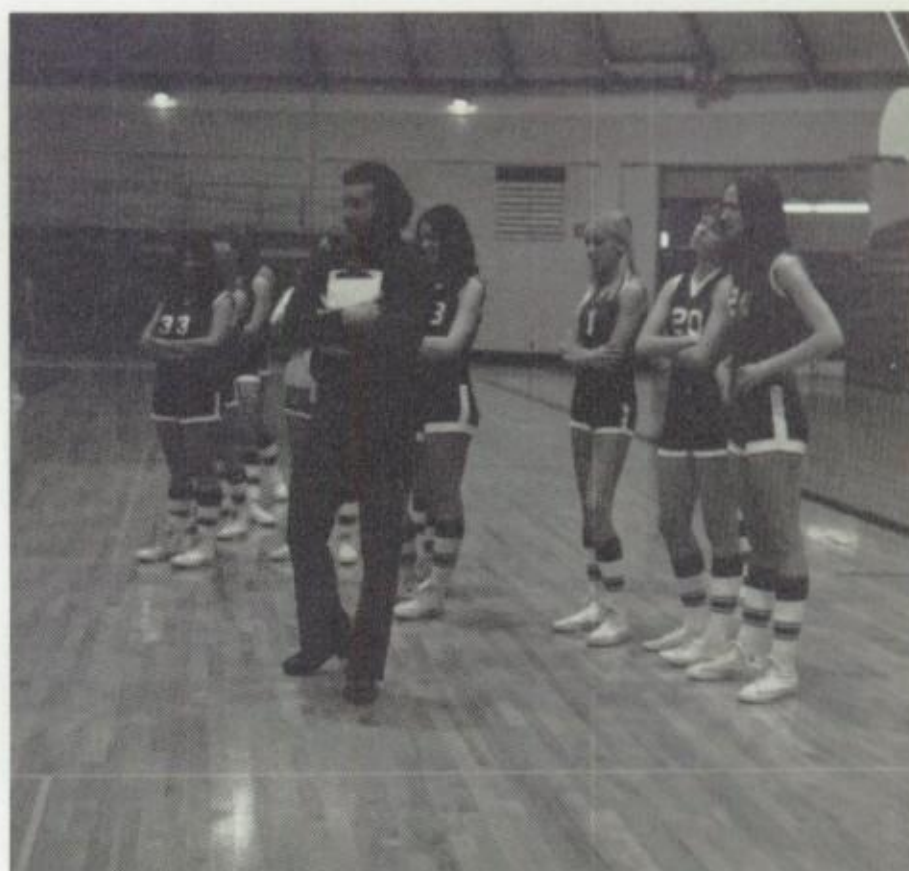

The 1972 Goddard girl's "A" Volleyball team finished the season with 9 wins and 3 losses. In the Wheatland Girls Athletic League tournament, the girls beat Berean, Andover, and Central Christian in the first two games of each match. Coach LaBrue and the team deservedly received a first place trophy for that tournament and a second place trophy for league play. At regionals Goddard lost the first match to South High. South won the regionals and went on to State. Seniors Cindy, Brenda, Michele, Ann and Franie wish Coach LaBrue and the volleyball team the best of luck and good sportsmanship.

FIRST ROW: Coach LaBrue, J. Blasi, J. Hofts, P. Cox, R. Lee, R. Shults, P. Blasi, L. Blasi, K. Baker, L. Baker, P. Cavanaugh.
SECOND ROW: D. Michaelis, C. Morris, L. Lee, J. Dugan, M. Michaelis, A. Myers, B. Frazier, F. Weber, C. Best, K. Pickert, B. Winter.

GIRLS WORK HARD FOR 4-4 RECORD

Mr. Seely's girl's basketball team, in only their second year of existence, had a very successful 4 won--4 loss season. Their record does not reveal the great number of hard hours of practice and conditioning the girls spent before and after school hours throughout the long 3 month season. The team participated in the Valley Center Invitational Tournament and finished the season in exciting fashion losing to Carrol by only one point in their first game of the regionals. This years squad displayed a great deal of youth starting all underclassmen and two of those being freshmen. With the experience gained this year and the returning of all starters next year, the teams outlook for the future is exceedingly hopeful.

WRESTLERS SHOW STRENGTH

Self-discipline is a keyword when referring to the Goddard High School wrestling team. The young men participating went through one of the most vigorous and extensive training programs of any sport at Goddard. Some individuals lost as many as 20 pounds in an effort to make their certified weight categories. Youth dominated the squad and since many will be returning next year the following seasons should provide Goddard with an experienced team.

BASEBALL BOY'S ENJOY SEASON

In only the second year of existence of organized baseball at Goddard High. The team had a much improved record and showed progress and hope for the future of Goddard baseball. Mr. Mason coached the team with the assistance of Mr. Naden. Youth dominated this years squad with five or six underclassmen occupying the starting positions at many times, but the leadership supplied by this year's group of seniors, Mike Wigglesworth, Pete Strunk, Gary Bogue, and Steve Blasi will indeed be missed in the seasons to come.

KEEP ON TRACKIN'

SPEED, DESIRE, AND
DETERMINATION WAS THEIR NAME

The track men of 1973 brought a victorious season to G.H.S. They participated in many tournaments including: Eureka where they took 1st place, Augusta with 2nd place, the Goddard Relays placing 3rd, another 3rd place at League, and completing Regional's with a 4th place. Many fine individuals and their performances highlighted the season. David Morris made it to State where he took first place in both the 100 and 200 yard dashes; and a 3rd place in the High Jump. Much congratulations should be given to the team for their hard work and effort.

The team won the 4-Man Competition at the Valley Center Invitational, the 4-Man Competition at the League Meet, the 6-Man Competition at the League Meet, and the Goddard High Invitational. Mike Jordan won Medalist at the League Meet, with the highlight of the year coming with Randy Vautravers going to the State Tournament.

REFLECTION

'73 SENIORS EXCELLED IN EVERYTHING

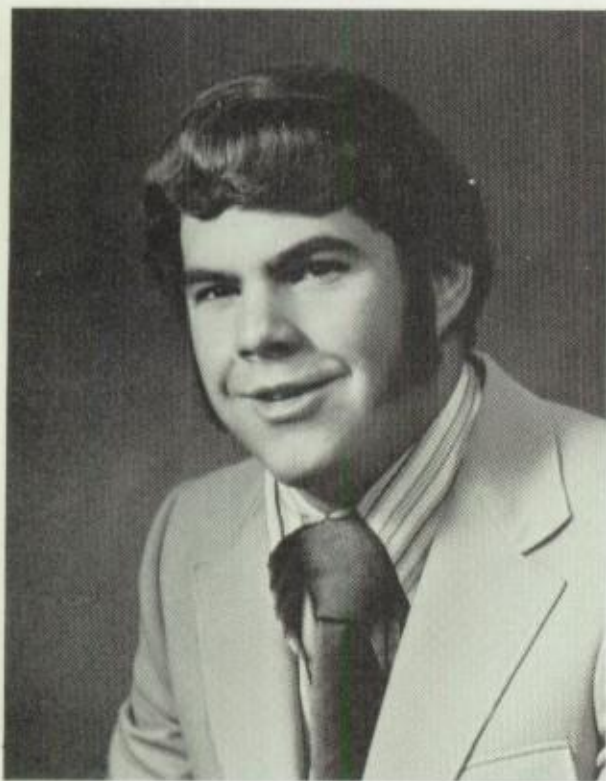

This year's senior class was possibly the best senior class ever to graduate from Goddard High School. They excelled in academics, athletics, art, and music. The Seniors came through with the most spirit again this year by winning the Volkswagen race. The senior class also gave excellent leadership to the younger classes, thus prompting many people to say that this is the best senior class Goddard has ever had.

A TIME TO REMEMBER...

COMMENCEMENT SERVICES 1973

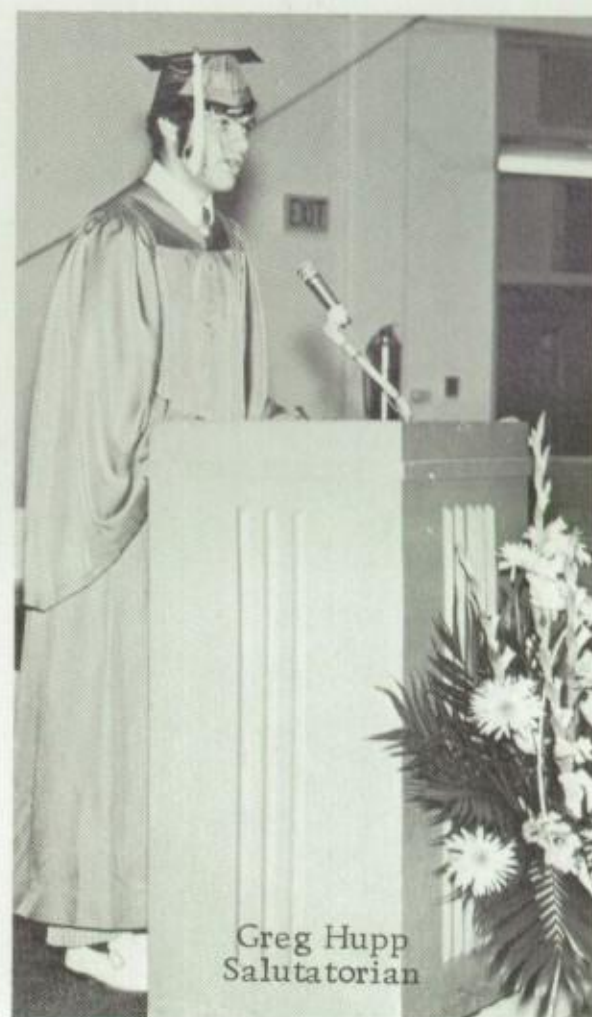

Friday, May 25, 1973, Graduation Day... When the Senior Class started in the fall of 1972 it seemed an eternity away. But, time passed on and before they realized it, the big day came. The caps, gowns, speeches, flowers and people all seemed to awaken the fact that the time was here. The memories brought back in that one short hour seemed make all the years worthwhile and regrets forgotten—at least for a while. Yes, it is a time to remember.

JUNIORS WORK FOR THEIR GOALS

JUNIOR CLASS

The first distinction of the junior year was the choosing of their class rings.

The biggest project for the class was the planning and preparation of the Junior-Senior Prom. "Golden Apples Of The Sun" was chosen as the theme and this abstract theme was skillfully carried out and provided the settings for the evening. The main money raising project was the magazine sales in which the class well surpassed their set money goals and any class before them. They also worked concession stands to complete their money raising.

Setting and attaining their goals of this year has prepared the Juniors for the experience needed to lead the school in '74.

FRESHMEN GAIN EXPERIENCE

Fitting into high school life was the main accomplishment of the freshman class this year. Although inexperienced, they gained their knowledge by watching upperclassmen, which they are eagerly waiting to become.

But not only did they watch the upperclassmen, they learned on their own. Their accomplishments this year should give the senior class of '76 a good start on their high school career.

"Everyone knows that portraits by Meyer & Ebel are great. Excitingly different outdoor poses besides the classic indoor ones. I Really enjoyed the warm and comfortable atmosphere. There's no hurrying you around, with 30 minutes for each sitting. Great portraits and friendly service are the reasons so many schools choose Meyer & Ebel for their senior portrait. Give them a try, you'll like them — I did!

We, the Staff of 1973, hope you enjoy your yearbook. For that's what it is meant to be, the year in pictures for your memories. It's hard for the people on the staff to look at this yearbook objectively, after having spent so many hours of hard work in trying to make it good. The most we can hope for is that you find some enjoyment in it. Our reward is the bound book which people appreciate and like.

To all of the people who helped us so very much, we say Thank You.

The Staff of 1973
